DEFINITIONS

Certain terms used throughout this Certificate begin with capital letters. When these terms are capitalized, use the following definitions to understand their meanings as they pertain to Your benefits and the way the dental Plan works.

Annual Maximum(s) - The greatest amount the Company is obligated to pay for all Covered Services rendered during a calendar year or Contract Year as shown on the Schedule of Benefits.

Authorized Entity – A Health Insurance Marketplace or other entity authorized by law or regulation through which individuals and groups can purchase insurance to meet the requirements of the federal Affordable Care Act.

Certificate Holder(s) - An individual who, because of his/her status with the Policyholder, has enrolled him/herself and/or his/her eligible Dependents for dental coverage and for whom Premiums are paid. In the case of a Group Policy that covers only dependent children, the Certificate Holder must be the child's or children's parent, stepparent, legal guardian, or legal custodian.

Certificate of Insurance ("Certificate") - This document, including riders, schedules, addenda and/or endorsements, if any, which describes the coverage purchased from the Company by the Policyholder.

Coinsurance - Those remaining percentages or dollar amounts of the Maximum Allowable Charge for a Covered Service that are the responsibility of either the Certificate Holder or his/her enrolled Dependents after the Company pays the percentages or dollar amounts shown on the Schedule of Benefits for a Covered Service.

Company - United Concordia, the insurer.

Contract Year- The period of twelve (12) months beginning on the Group Policy's Effective Date or the anniversary of the Group Policy's Effective Date and ending on the day before the Renewal Date.

Coordination of Benefits ("COB") - A method of determining benefits for Covered Services when the Member is covered under more than one plan. This method prevents duplication of payment so that no more than the incurred expense is paid.

Cosmetic - Services or procedures that are not Dentally Necessary and are primarily intended to improve or otherwise modify the Member's appearance.

Covered Service(s) - Services or procedures shown on the Schedule of Benefits for which benefits will be covered subject to the Schedule of Exclusions and Limitations, when rendered by a Dentist.

Deductible(s) - A specified amount of expenses set forth in the Schedule of Benefits for Covered Services that must be paid by the Member before the Company will pay any benefit.

Dentally Necessary - A dental service or procedure is determined by a Dentist to either establish or maintain a patient's dental health based on the professional diagnostic judgment of the Dentist and the prevailing standards of care in the professional community. The determination will be made by the Dentist in accordance with guidelines established by the Company. When there is a conflict of opinion between the Dentist and the Company on whether or not a dental service or procedure is Dentally Necessary, the opinion of the Company will be final.

Dentist(s) – A person licensed to practice dentistry in the state in which dental services are provided. Dentist will include any other duly licensed dental professional practicing under the scope of the individual's license when state law requires independent reimbursement of such practitioners.

Dependent(s) – Those individuals eligible to enroll for coverage under the Group Policy because of their relationship to the Certificate Holder.

This Group Policy is a Family Policy. Dependents eligible for coverage in this Family Policy include:

1. The Certificate Holder's spouse; and
2. Any unmarried natural child, stepchild, adopted child or child placed with the Certificate Holder or the Certificate Holder's Spouse by order of a court or administrative agency:
 - (a) until the end of the month that the child reaches age 19; or
 - (b) until the end of the month that the child reaches age 26 if he/she is a full-time student at an accredited educational institution and is chiefly reliant upon the Certificate Holder for maintenance and support; or
 - (c) to any age if the child is and continues to be both incapable of self-sustaining employment by reason of mental or physical handicap and chiefly dependent upon the Certificate Holder for maintenance and support.

Effective Date - The date on which the Group Policy begins or coverage of enrolled Members begins.

Exclusion(s) – Services, supplies or charges that are not covered under the Group Policy as stated in the Schedule of Exclusions and Limitations.

Experimental or Investigative - The use of any treatment, procedure, facility, equipment, drug, or drug usage device or supply which the Company, determines is not acceptable standard dental treatment of the condition being treated, or any such items requiring federal or other governmental agency approval which was not granted at the time the services were rendered. The Company will rely on the advice of the general dental community including, but not limited to dental consultants, dental journals and/or governmental regulations, to make this determination. Drug usage that has not been approved by the Federal Food and Drug Administration for a particular indication and is recognized for treatment of the indication in at least one standard compendium shall not be considered Experimental or Investigative.

Family Policy – A Group Policy that covers the Policyholder's Certificate Holders and may also cover eligible Dependents, as defined in this Certificate. A Group Policy that covers only Certificate Holders' children is not a Family Policy.

Grace Period - A period of no less than thirty-one (31) days after Premium payment is due under the Group Policy, in which the Policyholder may make such payment and during which the protection of the Group Policy continues, subject to payment of Premium by the end of the Grace Period.

Group Policy - The agreement between the Company and the Policyholder, under which the Certificate Holder is eligible to enroll him/herself and/or his/her Dependents.

Lifetime Maximum(s) - The greatest amount the Company is obligated to pay for all Covered Services rendered during the entire time the Member is enrolled under the Group Policy, as shown on the Schedule of Benefits.

Limitation(s) - The maximum frequency or age limit applied to a Covered Service set forth in the Schedule of Exclusions and Limitations.

Maximum Allowable Charge - The Maximum Allowable charge for all services, including treatment for dental emergencies, to a Non-Preferred Dentist will be equal to or greater than Maximum Allowable charge to a Preferred Dentist.

Member(s) – Enrolled Certificate Holder(s) and their enrolled Dependent(s). Also referred to as "You" or "Your" or "Yourself".

Non- Preferred Dentist - A Dentist who has not signed a contract with Us to accept the Company's Maximum Allowable Charges as payment in full for Covered Services.

Out-of-Pocket Expense(s) – Costs not paid by Us, including but not limited to Coinsurance, Deductibles, amounts billed by Non-Preferred Dentists that are over the Maximum Allowable Charge, costs of services that exceed the Policy's Limitations or Maximums, or for services that are Exclusions. The Certificate Holder is responsible to pay for Out-of-Pocket Expenses.

Out-of-Pocket Maximum – The limit on the Deductibles and Coinsurance for Covered Services provided by Participating Dentists that the Certificate Holder is required to pay in a calendar year or Contract Year, as shown on the Schedule of Benefits. After this limit is reached, Covered Services from Participating Dentists are paid 100% by Us for the remainder of the calendar year or Contract Year unless subject to the Schedule of Exclusions and Limitations.

Termination Date - The date on which the dental coverage ends for a Member or on which the Group Policy ends.

Waiting Period(s) - A period of time a Member must be enrolled under the Group Policy before benefits will be paid for certain Covered Services as shown on the attached Schedule of Benefits.

We, Our or Us - The Company, its affiliate or an organization with which it contracts for a provider network and/or to perform certain functions to administer this Policy.

ELIGIBILITY AND ENROLLMENT -- WHEN COVERAGE BEGINS

New Enrollment

In order to be a Member, You must meet the eligibility requirements of Your Group and this Group Policy. If You are enrolling through an Authorized Entity, You must meet any additional eligibility requirements of that Authorized Entity and supply enrollment information to it. We must receive enrollment information for the Certificate Holder, enrolled Dependents, and Policyholder. Provided that We receive applicable Premium, coverage will begin on the date specified in the enrollment information We receive. Your Group will inform Certificate Holders of its eligibility requirements.

If You have already satisfied all eligibility requirements on the Group Policy Effective Date and Your enrollment information and applicable Premium are supplied to Us, Your coverage will begin on the Group Policy Effective Date.

If You are not eligible to be a Member on the Group Policy Effective Date, You must supply the required enrollment information on Yourself and any eligible Dependents, as specified in the Definitions section, within thirty-one (31) days of the date You meet all applicable eligibility requirements.

Coverage for Members enrolling after the Group Policy Effective Date will begin on the date specified in the enrollment information supplied to Us provided Premium is paid.

The Company is not liable to pay benefits for any services started prior to a Member's Effective Date of coverage. Multi-visit procedures are considered "started" when the teeth are irrevocably altered. For example, for crowns, bridges and dentures, the procedure is started when the teeth are prepared and impressions are taken. For root canals, the procedure is started when the tooth is opened and pulp is removed. Procedures started prior to the Member's Effective Date are the liability of the Member or a prior insurance carrier.

Special Enrollment Periods - Enrollment Changes

After Your Effective Date, You can change Your enrollment during Your Group's open enrollment period. There are also Special Enrollment Periods when the Certificate Holder may add or remove Dependents. These Special Enrollment Period life change events include:

- birth of a child;
- adoption of a child;
- court order of placement or custody of a child;
- change in student status for a child;
- loss of other coverage;
- marriage or other lawful union between two adults.

If You enrolled through Your Group, to enroll a new Dependent as a result of one of these events, You must supply the required enrollment change information within the Special Enrollment Period that is thirty-one (31) days from the date of the life change event. The Dependent must meet the definition of Dependent applicable to this Group Policy.

If You enrolled through an Authorized Entity, there are additional life change events that may permit You to add or remove Dependents or change Plans. In addition to the life change events noted above, the additional Special Enrollment Period events that apply to participation through an Authorized Entity include changes in:

- state of residence;
- incarceration status;
- citizenship, status as a national or lawful presence;
- income, except when You did not request from the Authorized Entity an eligibility determination for insurance affordability programs.

The Special Enrollment Period during which You must supply the required enrollment change information to the Authorized Entity is thirty (30) days from the date of the life change event. The Dependent must meet the definition of Dependent applicable to this Group Policy.

Except for newly born or adoptive children, coverage for the new Dependent will begin on the date specified in the enrollment information provided to Us or on the date dictated by the Authorized Entity, as long as the Premium is paid.

Newly born children of a Member will be considered enrolled from the moment of birth. Adoptive children will be considered enrolled from the date of adoption or placement, except for those adopted or placed within thirty-one (31) days of birth who will be considered enrolled Dependents from the moment of birth.

In order for coverage of newly born or adoptive children to continue beyond the first thirty-one (31) day period, the child's enrollment information must be provided to Us and the required Premium must be paid within the thirty-one (31) day period.

For an enrolled Dependent child who is a full-time student, evidence of his/her student status and reliance on You for maintenance and support must be furnished to Us within ninety (90) days after the child attains the limiting age shown in the definition of Dependent. Such evidence will be requested annually thereafter until the Dependent reaches the limiting age for students and his/her coverage ends.

For an enrolled Dependent child who is mentally or physically handicapped, evidence of his/her reliance on You for maintenance and support due to his/her condition must be supplied to Us within thirty (30) days after the child attains the limiting age shown in the definition of Dependent. If the Dependent is a full-time student at an accredited educational institution, the evidence must be provided within thirty (30) days after the Dependent attains the limiting age for students. Such evidence will be requested thereafter based on information provided by the Member's physician, but no more frequently than annually.

Dependent coverage may only be terminated when certain life change events occur including death, divorce or dissolution of the union or domestic partnership, reaching the limiting age or during open enrollment periods or when otherwise permitted by any applicable law or regulation intended to implement the federal Affordable Care Act.

Late Enrollment

If You or Your Dependents are not enrolled within thirty-one (31) days of initial eligibility or during the Special Enrollment Period specified for a life change event, You or Your Dependents cannot enroll until the next Special Enrollment Period or open enrollment period conducted for Your Group unless otherwise permitted by applicable law or regulation intended to implement the federal Affordable Care Act, or specified in any applicable Late Entrant Rider to the Certificate of Insurance. If You are required by court order to provide coverage for a Dependent child, You will be permitted to enroll the Dependent child without regard to enrollment season restrictions.

HOW THE DENTAL PLAN WORKS

Choice of Provider

You may choose any licensed Dentist for services. However, Your Out-of-Pocket Expenses will vary depending upon whether or not Your Dentist is in Our network. If You choose a Preferred Dentist, You may limit Your Out-of-Pocket Expense. Preferred Dentists agree by contract to accept Maximum Allowable Charges as payment in full for Covered Services. Also, if agreed by the provider, Preferred Dentists limit their charges for all services delivered to Members, even if the service is not covered for any reason and a benefit is not paid under this Plan. Preferred Dentists also complete and send claims directly to Us for processing. To find a Preferred Dentist, visit Our website at www.unitedconcordia.com or call Us at the toll-free number in the Introduction section of this Certificate or on Your ID card.

If You use a Non- Preferred Dentist, You may have to pay the Dentist at the time of service, complete and submit Your own claims and wait for Us to reimburse You. You will be responsible for the Dentist's full charge which may exceed Our Maximum Allowable Charge and result in higher Out-of-Pocket Expenses.

Notice of Claim

Written notice of claim must be given to the Company within twenty (20) days after the occurrence or commencement of any loss covered by the Policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Member to the Company, or to any authorized agent of the Company, with information sufficient to identify the Member, shall be deemed notice to the Company.

Claim Forms

The Company, upon receipt of a notice of claim, will furnish to the Member such forms as are usually furnished by it for filing proof of loss. If such forms are not furnished before the expiration of 10 days after the Company received notice of any claim under the Policy, the person making such claim shall be deemed to have complied with the requirements of the Policy as to proof of loss upon submitting within the time fixed in the policy for filing proof of loss, written proof covering the occurrence, character, and extent of the loss for which claim is made.

The Company will provide claim forms to and accept claims for filing proof of loss submitted by a custodial parent of an eligible Dependent child who is the subject of a court or administrative order relating to provision of health care coverage. If services are provided by a Non- Preferred Dentist, the Company will make payments directly to such custodial parent or to the Department of Public Welfare if benefits are payable under Medical Assistance.

Proof of Loss

Written proof of loss must be furnished to the Company at its said office in case of claim for loss for which this Policy provides any periodic payment contingent upon continuing loss within 30 days after the termination of the period for which the Company is liable and in case of claim for any other loss within 90 days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity, later than 1 year from the time proof is otherwise required.

The acknowledgment by the Company of the receipt of notice given or the furnishing of forms for filing proofs of loss, or the acceptance of such proofs, or the investigation of any claim thereunder shall not operate as a waiver of any of the rights of the Company in defense of any claim arising under such policy.

Time Payment of Claims

All benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid no later than 30 days and acknowledge no later than 15 days from receipt

of due written proof of such loss. The Company may extend this 30-day period by no more than 15 days if additional information about the claim is required or the extension is necessary due to matters beyond the control of the Company. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid quarterly and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof. Benefits not paid in accordance with this provision, Company shall pay 18 percent per annum on the proceeds overdue under the Plan for benefits not paid in accordance with this provision.

Physical Examinations

The Company at its own expense shall have the right and opportunity to examine the Member when and as often as it may reasonably require during the pendency of a claim hereunder.

BENEFITS

Covered Services

Benefits and any applicable Coinsurance, Deductibles, Annual Maximums, Lifetime Maximums, Out-of-Pocket Maximums and Waiting Periods are shown on the attached Schedule of Benefits. Covered Services shown on the Schedule of Benefits must be Dentally Necessary unless otherwise specified in a Rider to this Group Policy and are subject to frequency or age Limitations detailed on the attached Schedule of Exclusions and Limitations.

No benefits will be paid for services, supplies or charges detailed under the Exclusions on the Schedule of Exclusions and Limitations, and no benefits will be paid for services on the Schedule of Benefits with a Coinsurance of zero (0).

Predetermination

A predetermination is a request for Us to estimate benefits for a dental treatment You have not yet received. Predetermination is not required for any benefits under the Plan. In estimating benefits, We look at patient eligibility, Dental Necessity and the Plan's coverage for the treatment. Payment of benefits for a predetermined service is subject to Your continued eligibility in the Plan. At the time the claim is paid, We may also correct mathematical errors, apply coordination of benefits, and make adjustments to comply with Your current Plan and applicable Annual Maximums, Lifetime Maximums, or Out-of-Pocket Maximums on the date of service.

Payment of Benefits

If You have treatment performed by a Preferred Dentist, We will pay covered benefits directly to the Preferred Dentist. Both You and the Dentist will be notified of benefits covered, Our payment and any Out-of-Pocket Expenses. Payment will be based on the Maximum Allowable Charge Your Preferred Dentist has contracted to accept. Maximum Allowable Charges may vary depending on the geographical area of the dental office and the contract between Us and the particular Preferred Dentist rendering the service.

If You receive treatment from a Non- Preferred Dentist, We will send payment for Covered Services to You unless You the claim indicates that payment should be sent directly to Your treating Dentist. This is called assignment of benefits, and it is available for care delivered by Non- Preferred Dentists outside of Pennsylvania and West Virginia. You will be notified of the services covered, Our payment and any Out-of-Pocket Expenses. You will be responsible to pay the Dentist any difference between Our payment and the Dentist's full charge for the services. Non- Preferred Dentists are not obligated to limit their fees to Our Maximum Allowable Charges.

We are not liable to pay benefits for any services started prior to a Member's Effective Date of coverage. Multi-visit procedures are considered "started" when the teeth are irrevocably altered. For example, for

crowns or fixed partial dentures, the procedure is started when the teeth are prepared and impressions are taken. Procedures started prior to the Member's Effective Date are the liability of the Member.

The Company does not disclose claim or eligibility records except as allowed or required by law and then in accordance with federal and state law. The Company maintains physical, electronic, and procedural safeguards to guard claims and eligibility information from unauthorized access, use, and disclosure.

Overpayments

When We make an overpayment for benefits, We have the right to recover the overpayment either from You or from the person or Dentist to whom it was paid. We will recover the overpayment either by requesting a refund or offsetting the amount overpaid from future claim payments. This recovery will follow any applicable state laws or regulations. The Member must provide any assistance necessary, including furnishing information and signing necessary documents, for the Company to be reimbursed.

Coordination of Benefits (COB)

If You or Your Dependents are covered by any other dental plan and receive a service covered by this Plan and the other dental plan, benefits will be coordinated. This means that one plan will be primary and determine its benefits before those of the other plan, and without considering the other plan's benefits. The other plan will be secondary and determine its benefits after the primary plan. The secondary plan's benefits may be reduced because of the primary plan's payment. Each plan will provide only that portion of its benefit that is required to cover expenses. This prevents duplicate payments and overpayments. Upon determination of primary or secondary liability, this Plan will determine payment.

1. When used in this Coordination of Benefits section, the following words and phrases have the definitions below:
 - A) **Allowable Amount** is the Plan's allowance for items of expense, when the care is covered at least in part by one or more Plans covering the Member for whom the claim is made.
 - B) **Claim Determination Period** means a benefit year. However, it does not include any part of a year during which a person has no coverage under this Plan.
 - C) **Other Dental Plan** is any form of coverage which is separate from this Plan with which coordination is allowed. **Other Dental Plan** will be any of the following which provides dental benefits, or services, for the following: Group insurance or group type coverage, whether insured or uninsured. It also includes coverage other than school accident type coverage (including grammar, high school and college student coverages) for accidents only, including athletic injury, either on a twenty-four (24) hour basis or on a "to and from school basis," or group or group type hospital indemnity benefits of \$100 per day or less.
 - D) **Primary Plan** is the plan which determines its benefits first and without considering the other plan's benefits. A plan that does not include a COB provision may not take the benefits of another plan into account when it determines its benefits.
 - E) **Secondary Plan** is the plan which determines its benefits after those of the other plan (Primary Plan). Benefits may be reduced because of the other plan's (Primary Plan) benefits.
 - F) **Plan** means this document including all schedules and all riders thereto, providing dental care benefits to which this COB provision applies and which may be reduced as a result of the benefits of other dental plans.
2. The fair value of services provided by the Company will be considered to be the amount of benefits paid by the Company. The Company will be fully discharged from liability to the extent of such payment under this provision.
3. In order to determine which plan is primary, this Plan will use the following rules.

- A) If the other plan does not have a provision similar to this one, then that plan will be primary.
 - B) If both plans have COB provisions, the plan covering the Member as a primary insured is determined before those of the plan which covers the person as a Dependent.
 - C) Dependent Child/Parents Not Separated or Divorced -- The rules for the order of benefits for a Dependent child when the parents are not separated or divorced are:
 - 1) The benefits of the plan of the parent whose birthday falls earlier in a year are determined before those of the plan of the parent whose birthday falls later in that year;
 - 2) If both parents have the same birthday, the benefits of the plan which covered the parent longer are determined before those of the plan which covered the other parent for a shorter period of time;
 - 3) The word "birthday" refers only to month and day in a calendar year, not the year in which the person was born;
 - 4) If the other plan does not follow the birthday rule, but instead has a rule based upon the gender of the parent; and if, as a result, the plans do not agree on the order of benefits, the rule based upon the gender of the parent will determine the order of benefits.
 - D) Dependent Child/Separated or Divorced Parents -- If two or more plans cover a person as Dependent child of divorced or separated parents, benefits for the child are determined in this order:
 - 1) First, the plan of the parent with custody of the child.
 - 2) Then, the plan of the Spouse of the parent with the custody of the child; and
 - 3) Finally, the plan of the parent not having custody of the child.
 - 4) If the specific terms of a court decree state that one of the parents is responsible for the dental care expenses of the child, and the entity obligated to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. The plan of the other parent will be the Secondary Plan.
 - 5) If the specific terms of the court decree state that the parents will share joint custody, without stating that one of the parents is responsible for the dental care expenses of the child, the plans covering the child will follow the order of benefit determination rules outlined in Section 3-C) above, titled Dependent Child/Parents Not Separated or Divorced.
 - E) Active/Inactive Member
 - 1) For actively employed Members and their Spouses over the age of sixty-five (65) who are covered by Medicare, the plan will be primary.
 - 2) When one contract is a retirement plan and the other is an active plan, the active plan is primary. When two retirement plans are involved, the one in effect for the longest time is primary. If another contract does not have this rule, then this rule will be ignored.
 - F) If none of these rules apply, then the contract which has continuously covered the Member for a longer period of time will be primary.
 - G) The plan covering an individual as a COBRA continuee will be secondary to a plan covering that individual as a Member or a Dependent.
4. Right to Receive and Release Needed Information -- Certain facts are needed to apply these COB rules. The Company has the right to decide which facts it needs. It may get needed facts from or give them to any other organization or person. Any health information furnished to a third party will be released in accordance with federal law. Each person claiming benefits under This Plan must give any facts needed to pay the claim.
5. Facility of Payment -- A payment made under another plan may include an amount which should have been paid under this Plan. If it does, the Company may pay the amount to the organization which made that payment. That amount will then be treated as though it were a benefit paid under This Plan, and the Company will not pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the services prepaid by the Company.

Review of a Benefit Determination

If You are not satisfied with a benefit determination or payment, please contact Our Customer Service Department at the toll-free telephone number in the Introduction section of this Certificate or on Your ID card. If, after speaking with a Customer Service representative, You are still dissatisfied, refer to the Appeal Procedure Addendum attached to this Certificate for further steps You can take regarding Your claim.

Value-Added Programs and Services

From time to time, We offer Members access to various lifestyle, health and/or value-added programs and services. Such offerings are subject to change at any time without notice. Contact Your Group or call Customer Service for eligibility requirements and other information. Eligibility requirements for these programs and services are applied in a uniform, non-discriminatory manner to all Members.

TERMINATION -- WHEN COVERAGE ENDS

A Member's coverage will end:

- when You no longer meet Your Group's eligibility requirements; or
- when Premium payment ceases for You; or
- when you no longer meet the eligibility requirements for a Dependent, as defined in the Definitions section of this Certificate; or
- when You no longer meet other eligibility requirements imposed by an Authorized Entity; or
- on the termination date specified for You by Authorized Entity.

On the date the Certificate Holder's coverage ends or the Certificate Holder is no longer eligible to enroll his/her Dependents, Dependent coverage will end unless otherwise specified in any applicable addendum or endorsement to this Certificate. If the Group Policy is cancelled, Certificate Holder and Dependent coverage will end on the Group Policy Termination Date.

If the Policyholder fails to pay Premium, coverage will remain in effect during the Grace Period. If the Premium is not received by the end of the Grace Period, the Group Policy will be cancelled and coverage will terminate on the last date for which Premium was paid.

Benefits After Coverage Terminates

We are not liable to pay any benefits for services, including those predetermined, that are started after Your Termination Date or after the Group Policy Termination Date. However, coverage for completion of a dental procedure requiring two (2) or more visits on separate days will be extended for a period of ninety (90) days after the Termination Date in order for the procedure to be finished. The procedure must be started prior to the Termination Date. The procedure is considered "started" when the teeth are irrevocably altered. For example, for crowns or fixed partial dentures, the procedure is started when the teeth are prepared and impressions are taken. For orthodontic treatment, if covered under the Plan, coverage will be extended through the end of the month of the Member's Termination Date. This extension does not apply if the Group Policy terminates for failure to pay Premium.

CONTINUATION COVERAGE

Federal or state law may require that certain employers offer continuation coverage to Members for a period of time upon the Certificate Holder's reduction of work hours or termination of employment for any reason other than gross misconduct. Contact Your Group to find out if this applies to You. Your Group will advise You of Your rights to continuation coverage and the cost. If applicable, You must elect to continue coverage within sixty (60) days from Your qualifying event or from notification of rights by Your

Group, whichever is later. Dependents may have separate election rights, or You may elect to continue coverage for them. You must pay the required premium for continuation coverage directly to Your Group. The Company is not responsible for determining who is eligible for continuation coverage.

GENERAL PROVISIONS

The failure of any section or subsection of this Certificate shall not affect the validity, legality and enforceability of the remaining sections.

Except as otherwise herein provided, this Certificate may be amended, changed or modified only in writing and thereafter attached hereto as part of this Certificate.

The Company may assign this Certificate and its rights and obligations hereunder to any entity under common control with the Company.

This Certificate will be construed for all purposes as a legal document and will be interpreted and enforced in accordance with pertinent laws and regulations of the state indicated on the State Law Provisions Addendum.

Legal Actions

No action at law or inequity shall be brought to recover on this Certificate prior to the expiration of 60 days after a claim has been filed in accordance with the requirements of this Certificate. No such action shall be brought after the expiration of 3 years after the time a claim is required to be filed.

Right of Recovery

If You or Your covered Dependent has a claim for damages or a right to recover damages from a third party or parties for any illness or injury for which benefits are payable under this Plan, the Company may have a right of recovery. Our right of recovery shall be limited to the recovery of any benefits paid for identical Covered Services under this Plan, but shall not include non-dental items. Money received for future dental care or pain and suffering may not be recovered. The Company's right of recovery may include compromised settlements. You or Your attorney must inform the Company of any legal action or settlement agreement at least 10 days prior to settlement or trial. The Company will notify You of the amount it seeks to recover for covered benefits paid. Our recovery may be reduced by the pro-rata share of Your attorney's fees and expenses of litigation.

ADDENDUM TO CERTIFICATE

APPEAL PROCEDURE

This Addendum is effective on the Effective Date stated in the Group Policy. It is attached to and made part of the Certificate.

If You are dissatisfied with Our benefit determination on a claim, You or Your Authorized Representative may appeal Our decision by following the steps outlined in this procedure. We will resolve Your appeal in a thorough, appropriate, and timely manner to ensure that You are afforded a full and fair review of claims for benefits. Benefit determinations will be made in accordance with the Plan documents and consistently among claimants. You or Your Authorized Representative may submit written comments, documents, records and other information relating to claims or appeals. We will provide a review that takes into account all information submitted whether or not it was considered with its first determination on the claim. Any notifications by Us required under these procedures will be supplied to You or Your Authorized Representative.

DEFINITIONS

The following terms when used in this document have the meanings shown below.

"Adverse Benefit Determination" is a denial, reduction, or termination of or failure to make payment (in whole or in part) for a Claim for Benefits based on a determination of eligibility to participate in a plan or the application of any utilization review; or a determination that an item or service otherwise covered is Experimental or Investigational, not Dentally Necessary, not Medically Necessary or not appropriate.

"Authorized Representative" is a person granted authority by You and the Company to act on Your behalf regarding a Claim for Benefits or an appeal of an Adverse Benefit Determination. An assignment of benefits is not a grant of authority to act on Your behalf in pursuing and appealing a benefit determination.

"Claim for Benefits" is a request for a plan benefit or benefits by You in accordance with the Plan's reasonable procedure for filing benefit claims, including Pre-service and Post-service Claims.

"Pre-service Claim" is a Claim for Benefits under the Plan when the terms of the Plan condition receipt of the benefit, in whole or in part, on approval of the benefit in advance of obtaining dental care.

"Post-service Claim" ("Claim") is any Claim for Benefits under a group health plan that is not a Pre-service Claim.

"Relevant" A document, record, or other information will be considered **"relevant"** to a given claim:

- a) if it was relied on in making the benefit determination;
- b) if it was submitted, considered, or generated in the course of making the benefit determination (even if the Plan did not rely on it);
- c) if it demonstrated that, in making the determination, the Plan followed its own administrative processes and safeguards for ensuring appropriate decision-making and consistency;
- d) or if it is a statement of the Plan's policy or guidance concerning the denied benefit, without regard to whether it was relied upon in making the benefit determination.

PROCEDURE FOR PRE-SERVICE CLAIM

You or Your Authorized Representative have 180 days from the date You or Your Authorized Representative received notice of the Adverse Benefit Determination to appeal the decision. To file an appeal, call the toll-free telephone number listed in Your Certificate of Coverage or on Your ID card.

The dentist advisor involved in the appeal will be different from and not a subordinate of the dentist advisor involved in the adverse determination on initial Claim for Benefits. We will provide You or Your Authorized Representative with written or electronic notice of Our appeal decision within 30 days of the request to review the Adverse Benefit Determination. The notice of Our appeal decision will include the following:

- a) The specific reason for the appeal decision;
- b) A reference to specific plan provisions on which the decision was based;
- c) A statement that You or Your Authorized Representative is entitled reasonable access to and copies of all relevant documents, records, and criteria. This includes an explanation of clinical judgment on which the decision was based and identification of the dental experts. All such information is available upon request and is free of charge.
- d) A statement of Your or Your Authorized Representative's right to bring a civil action under ERISA; and
- e) The following statement: "You and your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your state insurance regulatory agency."

PROCEDURE FOR POST-SERVICE CLAIM

You or Your authorized representative may file an appeal with Us within 180 days of receipt of an adverse benefit determination. To file an appeal, telephone the toll-free number listed in Your Certificate of Insurance or on Your ID card.

We will review the claim and notify You of Our decision within 60 days of the request for appeal. Any dentist advisor involved in reviewing the appeal will be different from and not in a subordinate position to the dentist advisor involved in the initial benefit determination.

Notice of the appeal decision will include the following in written or electronic form:

- a) the specific reason for the appeal decision;
- b) reference to specific plan provisions on which the decision was based;
- c) a statement that You are entitled to receive reasonable accessibility to and copies of all relevant documents, records, and criteria including an explanation of clinical judgment on which the decision was based and identification of the dental experts; All such information is available upon request and is free of charge.

UNITED CONCORDIA
ADDENDUM
TO
GROUP POLICY AND CERTIFICATE OF INSURANCE

This Addendum is effective on the Effective Date as stated in the Group Policy and attached to and made part of the Group Policy and Certificate of Insurance.

The following language is added to the Group Policy and Certificate of Insurance:

In-Network Maximum Allowable Charges for Covered Services are determined by geographical area of the dental office. The In-Network Maximum Allowable Charges in the geographical area of the dental office are used to calculate the Company's payment on claims. Preferred Dentists accept their contracted Maximum Allowable Charges as payment in full for Covered Services. Out-of-Network Maximum Allowable Charges are determined as a percentile of dentist charges for Covered Services by grouping the 90th percentile of dentist charges into different geographical areas. Non-preferred Dentists may bill You for charges exceeding the Out-of-Network Maximum Allowable Charge paid by the Company. The Out-of-Network Maximum Allowable Charges at the indicated percentile in the geographical area of the dental office are used to calculate the Company's payment on Non-Preferred Dentist claims. Maximum Allowable Charges are reviewed periodically and adjusted as appropriate to reflect increased dentist fees within the geographical areas. The source of the dentist charge data for Out-of-Network Maximum Allowable charge calculation is select charge data purchased by the Company and supplemented where necessary by internal claim data.
