How your plan works

As *you* read through this *certificate*, *you* will notice that certain words and phrases are printed in italics. An italicized word may have a different meaning in the context of this *certificate* than it does in general usage. Please check the “Definitions” section for the definitions of italicized words, so *you* can understand their meaning as it relates to *your* insurance coverage.

How to use this certificate

This *certificate* provides *you* with detailed information regarding *your* coverage. It explains what is covered and what is not covered. It also identifies *your* duties and how much *you* must pay when obtaining services. Although *your* coverage is broad in scope, it is important to remember that *your* coverage has limitations. Be sure to read *your* certificate carefully before using *your* benefits.

Please note the provisions and conditions of this *certificate* apply to *you* and to each of *your* covered dependents.

Entire contract

The entire contract is made up of the *policy*, the application of the *policyholder*, incorporated by reference herein, and the application of the *employees*, if any. All statements made by the *policyholder* or by an *employee* are considered to be representations, not warranties. This means that the statements are made in good faith. No statement will void the *policy*, reduce the benefits it provides or be used in defense to a claim unless it is contained in a written or electronic application and a copy is furnished to the person making such statement or his or beneficiary.

General benefit payments

We pay *benefits* for *covered expenses*, as stated in the Schedule of Benefits and *your* “Vision Benefits” sections, and according to any riders that are part of *your policy*. Paid *benefits* are subject to the conditions, limitations and exclusions of this *policy*.

After *you* receive a *service*, we will determine if it qualifies as a *covered service*. If we determine it is a *covered service*, we will pay *benefits* as follows:

1. We will determine the total *covered expense*.
2. We will review the *covered expense* against any *reimbursement limit* that may apply.

Benefit maximums

The amount we pay for *services* are limited to a *reimbursement limit*. We will not make *benefit* payments that are more than the *reimbursement limit* for the *covered services* shown in the Schedule of Benefits.

How to find a preferred provider

An online directory of network providers will be made available to *you* and accessible via the internet on our website at **Humana.com** at the time of *your* enrollment. This directory is subject to change. Due to the possibility of *preferred providers* changing status, please check the online directory of *preferred providers* prior to obtaining services. If *you* do not have access to the online directory, *you* may telephone our customer service center prior to service being rendered or to request a directory.

Our relationship with providers

Preferred providers and *non-preferred providers* are not *our* agents, employees or partners. *Preferred providers* are independent contractors. We do not endorse or control the clinical judgment or treatment recommendation made by *preferred providers* or *non-preferred providers*.

Claims

Nothing contained in the *policy* or any agreement or reimbursement document shall, nor is it intended to, interfere with communication between *you* and *vision providers* regarding *your* condition or treatment options. When ordering services, *vision providers* and other providers are acting on *your* behalf. All decisions related to patient care are the responsibility of the patient and the treating *vision provider*, regardless of any coverage determination(s) *we* have made or will make. *We* are not responsible for any misstatements made by any provider with regard to the scope of *covered expenses* and/or *non-covered expenses* under your *certificate*. If *you* have any questions concerning *your* coverage, please call the customer service number on the back of your identification card.

Privacy and confidentiality statement

We understand the importance of keeping *your* personal and health information (PHI) private. PHI includes both medical information and individually identifiable information, such as your name, address, telephone number or Social Security number. *We* are required by applicable federal and state law to maintain the privacy of *your* PHI.

Under both law and our policies, *we* have a responsibility to protect the privacy of your PHI. *We*:

2. Limit how *we* may use or disclose *your* PHI;
3. Inform *you* of your legal duties with respect to *your* PHI;
4. Explain *our* privacy policies; and
5. Strictly adhere to the policies currently in effect.

We reserve the right to change *our* privacy practices at any time, as allowed by applicable law, rules and regulations. *We* reserve the right to make changes in *our* privacy practices for all PHI that *we* maintain, including information *we* created or received before *we* made the changes. When *we* make a significant change in *our* privacy practices, *we* will send notice to *our* plan subscribers. For more information about *our* privacy practices, please contact *us*.

As a *covered person*, *we* may use and disclose *your* PHI, without *your* consent/authorization in the following ways:

1. Treatment – *we* may disclose *your* PHI to a *health care practitioner*, a hospital or other entity which asks for it in order for *you* to receive medical treatment; and
2. Payment – *we* may use and disclose *your* PHI to pay claims for *covered expenses* provided to *you* by *health care practitioners*, hospitals or other entities.

Modification of policy

This plan may be modified at any time by agreement between *us* and the *policyholder* without the consent of any *covered person*. Modifications will not be valid unless approved by *our* president, vice president, secretary or other authorized officer. The approval must be endorsed on, or attached to, the *policy*. No agent has the authority to modify the *policy*, waive any of the *policy* provisions, extend the time for premium payment, make or alter any contract, or waive any of the Company's other rights or responsibilities.

The *policy* may be modified by *us* at any time without prior consent of, or notice to, the *policyholder* when the changes are:

Claims

How we pay claims

Identification numbers

You will receive an electronic identification (ID) card showing *your* name, identification number and group number. Show this ID card to *your vision provider* when you receive services.

Claim forms

Written notice of a claim must be given to *us* within 20 days of the *expense incurred* date. Failure to give notice with this time will not reduce the claim if notice of claim was given as soon as was reasonably possible.

Upon receipt of notice of claim, *we* will send to *you* the forms for filing Proof of Loss. If the forms are not sent to *you* within ten (10) days, *you* will have met the Proof of Loss requirement by sending to *us* a written statement of the nature and extent of the loss within the time limit stated in the Proof of Loss provision.

Submitting claim information and proof of loss

When *services* are rendered by a *preferred provider*, that provider will submit claim information.

When *services* are rendered by a *non-preferred provider*, *you* must submit the claim form directly to *us*. That claim form may be found on *our* website, **Humana.com**. Please contact the customer service number on *your* identification card if *you* have any questions regarding this process, or to request a paper copy.

We would like to receive this information within 90 days after the *expense incurred* date; however, the claim will not be reduced or denied if it was not reasonably possible to meet the 90-day guideline. In any event, *we* will need written proof of loss notice within one year after the date proof of loss is requested, except if *you* were legally incapacitated.

If *you* do not provide *us* with the necessary information, *we* will deny any related claims until *you* provide it to *us*.

Paying claims

We determine if *benefits* are available and pay promptly any amount due under this *policy* in the timeframe required by state law or by a *vision provider's* contract. *We* may pay all or a portion of any *benefit* provided for *covered expenses* to the *vision provider* unless *you* have notified *us* in writing by the time the claim form is submitted. *Our* payments are made in good faith and will fully discharge *us* of any liability to the extent of such payment.

Time of benefit payment

Payments due under this Policy will be paid upon receipt of written or electronic proof of loss.

If *we* fail to provide benefits payable under this Policy upon receipt of written proof of loss, *we* shall have 15 working days for electronic claims or 30 calendar days for paper claims, thereafter to send *you* or the *vision provider* a letter or electronic notice which states the reason(s) *we* have denied or partially denied the claims; and it will include a written itemization of any documents or other information needed to process the claim.

When all of the listed documents or other information needed to process the claim has been received, *we* shall have 15 working days thereafter to either pay or deny the claim and give *you* the reasons if there is a denial.

Claims

Claims not paid as above will be increased by interest of 12 percent per annum on the proceeds or benefits due under the terms of this Policy.

Reasons for denying a claim

Below is a list of the most common reasons we cannot pay a claim. Claim payments may be limited or denied in accordance with any of the provisions contained in this *certificate*.

1. **Not a covered benefit:** The *service* is not a *covered service* under the *certificate*.
2. **Eligibility:** *You* no longer are eligible under the “Terminating Coverage” section of this *certificate*, or the *expense incurred* date was prior to *your* effective date.
3. **Fraud:** *You* make an intentional misrepresentation by not telling *us* the facts or withhold information necessary for *us* to administer this *certificate*.

Insurance fraud is a crime. Anyone who willingly and knowingly engages in an activity intended to defraud *us* by filing a claim or form that contains false or deceptive information may be guilty of insurance fraud.

If a *covered person* commits fraud against *us*, as determined by *us*, coverage ends automatically, without notice, on the date the fraud is committed. This termination may be retroactive. We also will provide information to the proper authorities and support any criminal charges that may be brought. Further, we reserve the right to seek civil remedies available to *us*.

We will not end coverage if, after investigating the matter, we determine that the *member* provided information in error. We will adjust premium or claim payment based on this new information.

If *you* provided correct information and we made a processing error, *you* will be eligible for coverage and claims payment for *covered expenses*. We will adjust *your* premium or claim payment based on the correct information.

Duplicating provisions: If any charge is described as covered under two or more benefit provisions, we will pay only under the provision allowing the greater *benefit*. This may require *us* to make a recalculation based on both the amounts already paid and the amounts due to be paid. We have no obligation to pay for *benefits* other than those this *certificate* provides.

Legal actions and limitations

No lawsuit with respect to plan benefits may be brought after the expiration of three years after the later of:

1. The date on which we first denied the service or claim; paid less than *you* believe appropriate; or failed to timely pay the claim; or
2. 180 days after a final determination of a timely filed appeal.

Clerical error, misstatement of age or gender

If it is determined that information about the age or gender of *you* or your *dependents* was omitted or misstated in error, the amount of insurance for which *you* are properly eligible will be in effect. An equitable premium adjustment will be made. This provision applies equally to *you* and to *us*.

Claims

Right to collect needed information

You must cooperate with *us* and when asked, assist *us* by providing information *we* request to administer the policy.

If *you* fail to cooperate or provide the necessary information, *we* may recover payments made by *us* and deny any pending or subsequent claims for which the information is requested.

Claims paid incorrectly

If a claim was paid in error, *we* have the right to recover *our* payments. *We* may correct this error by an adjustment to any amount applied to the *reimbursement limits*. Errors may include such actions as:

1. Claims paid for *services* that are not actually covered under the *policy*.
2. Claims payment that is more than the amount allowed under the *policy*.
3. Claims paid based on fraud or an intentional misrepresentation.

We may seek recovery of *our* payments made in error from anyone to, for or with respect to whom such payments were made; or any insurance companies or organizations that provide other coverage for the *covered expenses*. *We* will determine from whom *we* shall seek recovery. For information on *our* process, see the Recovery rights provision.

Recovery rights

Your obligation in the recovery process

We have the right to collect *our* payments made in error. *You* are obligated to cooperate and assist *us* and *our* agents to protect *our* recovery rights by:

1. Obtaining *our* consent before releasing any party from liability for payment of vision expenses.
2. Providing *us* with a copy of any legal notices arising from *your* injury and its treatment.
3. Assisting *our* enforcement of recovery rights and doing nothing to prejudice *our* recovery rights.
4. Refraining from designating all (or any disproportionate part) of any recovery as exclusively for “pain and suffering.”

If *you* fail to cooperate, *we* will collect from *you* any payments *we* made.

Right of subrogation

You agree to transfer any rights to *us* that *you* have to recover any expenses paid under this policy. *We* will be subrogated to these recovery rights from any funds paid or payable.

We may enforce *our* subrogation rights by asserting a claim to any coverage to which *you* may be entitled. If *we* are precluded from exercising *our* subrogation rights, *we* may exercise *our* right of reimbursement.

Right of reimbursement; coverage voided by non cooperation

If *you* or *your* covered *dependent* has a claim for damages or a right to recover damages from a third party or parties for any sickness or bodily injury for which benefits are payable under this plan, *we* may have

Claims

the Right of Recovery. *Our* Right of Recovery shall be limited to the recovery of any benefits paid for identical medical or dental expenses under this Plan, but shall not include medical/dental items. Money received for future medical/dental care or pain and suffering may not be recovered. *Our* Right of Recovery may include compromise settlements. *You* or *your* attorney must inform *us* of any legal action or settlement agreement at least ten days prior to settlement or trial. *We* will then notify *you* of the amount *we* seek to recover for covered benefits paid. *Our* recovery may be reduced by the pro-rata share of *your* attorney's fees and expenses of litigation.

Assignment of recovery rights

If *your* claim against the other insurer is denied or partially paid, *we* will process the claim according to the terms and conditions of this policy. If *we* make payment on *your* behalf, *you* agree that any right for expenses *you* have against the other insurer for expenses *we* pay will be assigned to *us*.

If *benefits* are paid under this policy and *you* recover under any automobile, homeowners, premises or similar coverage, *we* have the right to recover from *you* as per the limits of the Right of Reimbursement provision.

Cost of legal representation

The costs of our legal representation in matters related to our recovery rights shall be borne solely by *us*. The costs of legal representation incurred by *you* shall be borne solely by *you*, unless *we* were given timely notice of the claim and an opportunity to protect *our* own interests and *we* failed or declined to do so.

Workers' compensation

If *we* pay *benefits* but determine that the *benefits* were for the treatment of bodily injury or sickness that arose from or was sustained in the course of any occupation or employment for compensation, profit or gain, *we* have the right to recover that payment. *We* will exercise *our* right to recover against *you*.

The recovery rights will be applied even though:

1. The Workers' Compensation benefits are in dispute or are made by means of settlement or compromise;
2. No final determination is made that *bodily injury* or *sickness* was sustained in the course of, or resulted from, *your* employment;
3. The amount of Workers' Compensation due to medical or health care is not agreed upon or defined by *you* or the Workers' Compensation carrier; or
4. Medical or health care benefits are specifically excluded from the Workers' Compensation settlement or compromise.

You agree that, in consideration for the coverage provided by the policy, *we* will be notified of any Workers' Compensation claim that *you* make, and *you* agree to reimburse *us* as described above.

Eligibility

When you are eligible for coverage

Employee coverage

Eligibility date: The *employee* is eligible for coverage when:

1. Eligibility requirements listed in the Employer Group Application (see *your employer* for details) are satisfied; and
2. *Employee* is in *active status*.

Effective date: The *employee's* effective date will be calculated after we receive the completed enrollment forms we furnish. The *employee's* Effective Date provision is outlined in the Employer Group Application (see *your employer* for details). *Your* effective date may be:

1. Immediately after the waiting period;
2. The first of the month after the waiting period; or
3. The date approved by us.

Employee delayed effective date: If the *employee* is not in *active status* on the effective date, coverage is effective on the day after the *employee* returns to *active status*. The *employer* must notify us in writing when an *employee* returns to *active status*.

Benefit changes: Benefit changes will become effective on the date specified by us.

Late applicant: If you enroll or are enrolled more than 31 days after *your* eligibility date, you will be considered a *late applicant*.

Incontestability: After two years from the effective date of the policy, no misstatement made by the *policyholder*, except a fraudulent misstatement made in the application may be used to void the *policy*.

After you are insured without interruption for two years, we cannot contest the validity of *your* coverage except for:

- Nonpayment of premium; or
- Any fraudulent misrepresentation made by you.

At any time, we may assert defenses based upon provisions in the *policy* which relate to *your* eligibility for coverage under the *policy*.

No statement made by you can be contested unless it is in a written or *electronic* form signed by you. A copy of the form must be given to you or your beneficiary.

An independent incontestability period begins for each type of change in coverage or when a new employee enrollment form is completed.

Dependent coverage

Eligibility date: If an *employee* is covered, the *employee's dependent* is eligible for coverage:

1. On the date the *employee* is eligible for coverage;
2. On the date of the *employee's* marriage (spouse and/or stepchildren);

Eligibility

Dependents who become employed by the *employer* participating in this policy must apply for coverage as an eligible *employee*.

Enrollment: Check with the *employer* on how to enroll for *dependent* coverage. Late enrollment may reduce *benefits*. The *employee* must enroll for *dependent* coverage and enroll additional *dependents* on enrollment forms we furnish.

Effective date: Each *dependent's* effective date of coverage is determined as follows, subject to the Dependent Delayed Effective Date provision:

1. If we receive the enrollment form before the *dependent's* eligibility date, the *dependent* is covered on the date he or she is eligible.
2. If we receive the enrollment form within 31 days after the *dependent's* eligibility date:
 - The *dependent* is covered on the date we receive the completed enrollment form; or
 - The *dependent* is covered on the date he or she is eligible if the *employee* already had *dependent* coverage in force.
3. If we receive the completed enrollment forms more than 31 days after the *dependent's* eligibility date the *dependent* is covered on the date we specify.

A *dependent's* effective date cannot occur before the *employee's* effective date of coverage.

Dependent delayed effective date: A *dependent's* effective date of coverage will be delayed if the *dependent* is homebound due to bodily injury or sickness, or is confined to a hospital or mental health center. The *dependent's* coverage will be effective one day after discharge from confinement. A physician must certify the discharge.

Late applicant: If you enroll or are enrolled more than 31 days after *your* eligibility date, you will be considered a *late applicant*.

Retired employee coverage

Eligibility date: Retired *employees* are considered an eligible class if requested in the Employer Group Application and approved by us. Retired *employees* are eligible for coverage when the eligibility requirements in the Employer Group Application are satisfied.

Effective date: Retired *employees* must enroll for coverage on forms we furnish. The effective date of coverage for an eligible retired *employee* is the latter of:

1. The date retired *employees* are eligible for coverage under this policy;
2. The actual retirement date for *employees* who retire after that date; or
3. The date we specify if we receive the enrollment forms more than 31 days after the retired *employee's* eligibility date.

Retired employee delayed effective date: A retired *employee's* effective date of coverage will be delayed if the person is homebound due to bodily injury or sickness; or is confined to a hospital or mental health center. Coverage will be effective one day after discharge from confinement. A physician must certify the discharge. A decrease in insurance will be effective on the approved date of change.

Late applicant: If you enroll or are enrolled more than 31 days after *your* eligibility date, you are considered a *late applicant*.

If *you* or the *policyholder* perpetrate fraud and/or intentional misrepresentation on claims, identification cards or other identification in order to obtain services or a higher level of benefits. This includes, but is not limited to, the fabrication and/or alteration of a claim, identification card or other identification.

Claim procedures

The Employee Retirement Income Security Act of 1974 (ERISA) established minimum requirements for claims procedures. Humana complies with these standards. Covered persons in insured plans subject to ERISA should also consult their insurance benefit plan documents (e.g., the Certificate of Insurance or Evidence of Coverage). Humana complies with the requirements set forth in any such benefit plan document issued by it with respect to the plan unless doing so would prevent compliance with the requirements of the federal ERISA statute and the regulations issued thereunder. The following claims procedures are intended to comply with the ERISA claims regulation, and should be interpreted consistent with the minimum requirements of that regulation. Covered persons in plans not subject to ERISA should consult their benefit plan documents for the applicable claims and appeals procedures.

Discretionary authority

With respect to paying claims for benefits or determining eligibility for coverage under a policy issued by Humana, Humana as administrator for claims determinations and as ERISA claims review fiduciary, shall have full and exclusive discretionary authority to:

1. Interpret plan provisions;
2. Make decisions regarding eligibility for coverage and benefits; and
3. Resolve factual questions relating to coverage and benefits.

Claim procedures

Definitions

Adverse determination: means a decision to deny benefits for a pre-service claim or a post-service claim under a group health and/or dental plan.

Claimant: A covered person (or authorized representative) who files a claim.

Concurrent-care Decision: A decision by the plan to reduce or terminate benefits otherwise payable for a course of treatment that has been approved by the plan (other than by plan amendment or termination) or a decision with respect to a request by a Claimant to extend a course of treatment beyond the period of time or number of treatments that has been approved by the plan.

Group health plan: an employee welfare benefit plan to the extent the plan provides dental care to employees or their dependents directly (self insured) or through insurance (including HMO plans), reimbursement or otherwise.

Health insurance issuer: the offering company listed on the face page of your Certificate of Insurance or Certificate of Coverage and referred to in this document as "Humana."

Post-service Claim: Any claim for a benefit under a group health plan that is not a Pre-service Claim.

Pre-service Claim: A request for authorization of a benefit for which the plan conditions receipt of the benefit, in whole or in part, on advance approval.

Urgent-care Claim (expedited review): A claim for covered services to which the application of the time periods for making non-urgent care determinations:

could seriously jeopardize the life or health of the covered person or the ability of the covered person to regain maximum function; or

in the opinion of a physician with knowledge of the covered person's medical condition, would subject the covered person to severe pain that cannot be adequately managed without the service that is the subject of the claim.

Humana will make a determination of whether a claim is an Urgent-care Claim. However, any claim a physician, with knowledge of a covered person's medical condition, determines is a "Urgent-care Claim" will be treated as a "claim involving urgent care."

Submitting a claim

This section describes how a Claimant files a claim for plan benefits.

A claim must be filed in writing and delivered by mail, postage prepaid, by FAX or e-mail. A request for pre-authorization may be filed by telephone. The claim or request for pre-authorization must be submitted to Humana or to Humana's designee at the address indicated in the covered person's benefit plan document or identification card. Claims will be not be deemed submitted for purposes of these procedures unless and until received at the correct address.

Claims submissions must be in a format acceptable to Humana and compliant with any legal requirements. Claims not submitted in accordance with the requirements of applicable federal law respecting privacy of protected health information and/or electronic claims standards will not be accepted by Humana.

Claims submissions must be timely. Claims must be filed as soon as reasonably possible after they are incurred, and in no event later than the period of time described in the benefit plan document.

Claims submissions must be complete and delivered to the designated address. At a minimum they must include:

- Name of the covered person who incurred the covered expense.
- Name and address of the provider
- Diagnosis
- Procedure or nature of the treatment
- Place of service
- Date of service
- Billed amount

A general request for an interpretation of plan provisions will not be considered a claim. Requests of this type, such as a request for an interpretation of the eligibility provisions of the plan, should be directed to the plan administrator.

Procedural defects

If a Pre-service Claim submission is not made in accordance with the plan's requirements, Humana will notify the Claimant of the problem and how it may be remedied within five (5) days (or within 24 hours, in the case of an Urgent-care Claim). If a Post-service Claim is not made in accordance with the plan's requirement, it will be returned to the submitter.

Authorized representatives

A covered person may designate an authorized representative to act on his or her behalf in pursuing a benefit claim or appeal. The authorization must be in writing and authorize disclosure of health information. If a document is not sufficient to constitute designation of an authorized representative, as determined by Humana, the plan will not consider a designation to have been made. An assignment of benefits does not constitute designation of an authorized representative.

- Any document designating an authorized representative must be submitted to Humana in advance or at the time an authorized representative commences a course of action on behalf of the covered person. Humana may verify the designation with the covered person prior to recognizing authorized representative status.
- In any event, a health care provider with knowledge of a covered person's medical condition acting in connection with an Urgent-care Claim will be recognized by the plan as the covered person's authorized representative.

Covered persons should carefully consider whether to designate an authorized representative. Circumstances may arise under which an authorized representative may make decisions independent of the covered person, such as whether and how to appeal a claim denial.

Claims decisions

After a determination on a claim is made, Humana will notify the Claimant within a reasonable time, as follows:

Pre-service claims

Humana will provide notice of a favorable or *adverse determination* within a reasonable time appropriate to the medical circumstances but no later than 15 days after the plan receives the claim.

This period may be extended by an additional 15 days, if Humana determines the extension is necessary due to matters beyond the control of the plan. Before the end of the initial 15-day period, Humana will notify the Claimant of the circumstances requiring the extension and the date by which Humana expects to make a decision.

If the reason for the extension is because Humana does not have enough information to decide the claim, the notice of extension will describe the required information, and the Claimant will have at least 45 days from the date the notice is received to provide the necessary information.

Urgent-care claims (expedited review)

Humana will determine whether a particular claim is an Urgent-care Claim. This determination will be based on information furnished by or on behalf of a covered person. Humana will exercise its judgment when making the determination with deference to the judgment of a physician with knowledge of the covered person's condition. Humana may require a Claimant to clarify the medical urgency and circumstances supporting the Urgent-care Claim for expedited decision-making.

Notice of a favorable or *adverse determination* will be made by Humana as soon as possible, taking into account the medical urgency particular to the covered person's situation, but not later than 72 hours after receiving the Urgent-care Claim.

If a claim does not provide sufficient information to determine whether, or to what extent, services are covered under the plan, Humana will notify the Claimant as soon as possible, but not more than 24 hours after receiving the Urgent-care Claim. The notice will describe the specific information necessary to complete the claim. The Claimant will have a reasonable amount of time, taking into account the covered person's circumstances, to provide the necessary information – but not less than 48 hours.

Humana will provide notice of the plan's Urgent-care Claim determination as soon as possible but no more than 48 hours after the earlier of:

- The plan receives the specified information; or
- The end of the period afforded the Claimant to provide the specified additional information.

Concurrent-care decisions

Humana will notify a Claimant of a Concurrent-care Decision involving a reduction or termination of pre-authorized benefits sufficiently in advance of the reduction or termination to allow the Claimant to appeal and obtain a determination.

Humana will decide Urgent-care Claims involving an extension of a course of treatment as soon as possible taking into account medical circumstances. Humana will notify a Claimant of the benefit determination, whether adverse or not, within 24 hours after the plan receives the claim, provided the claim is submitted to the plan 24 hours prior to the expiration of the prescribed period of time or number of treatments.

Post-service claims

Humana will provide notice of a favorable or *adverse determination* within a reasonable time appropriate to the medical circumstances but no later than 30 days after the plan receives the claim.

This period may be extended an additional 15 days, if Humana determines the extension is necessary due to matters beyond the plan's control. Before the end of the initial 30-day period, Humana will notify the affected Claimant of the extension, the circumstances requiring the extension and the date by which the plan expects to make a decision.

If the reason for the extension is because Humana does not have enough information to decide the claim, the notice of extension will describe the required information, and the Claimant will have at least 45 days from the date the notice is received to provide the specified information. Humana will make a decision on the earlier of the date on which the Claimant responds or the expiration of the time allowed for submission of the requested information.

Initial denial notices

Notice of a claim denial (including a partial denial) will be provided to Claimants by mail, postage prepaid, by FAX or by e-mail, as appropriate, within the time frames noted above. With respect to adverse decisions involving Urgent-care Claims, notice may be provided to Claimants orally within the time frames noted above. If oral notice is given, written notification must be provided no later than 3 days after oral notification.

A claims denial notice will convey the specific reason for the *adverse determination* and the specific plan provisions upon which the determination is based. The notice will also include a description of any additional information necessary to perfect the claim and an explanation of why such information is necessary. The notice will disclose if any internal plan rule, protocol or similar criterion was relied upon to deny the claim. A copy of the rule, protocol or similar criterion will be provided to Claimants, free of charge, upon request.

The notice will describe the plan's review procedures and the time limits applicable to such procedures, including a statement of the Claimant's right to bring a civil action under ERISA Section 502(a) following an adverse benefit determination on review.

If an *adverse determination* is based on medical necessity, experimental treatment or similar exclusion or limitation, the notice will state that an explanation of the scientific or clinical basis for the determination will be provided, free of charge, upon request. The explanation will apply the terms of the plan to the covered person's medical circumstances.

In the case of an adverse decision of an Urgent-care Claim, the notice will provide a description of the plan's expedited review procedures

Appeals of Adverse Determinations

A Claimant must appeal an *adverse determination* within 180 days after receiving written notice of the denial (or partial denial). An appeal may be made by a Claimant by means of written application to Humana, in person, or by mail, postage prepaid.

A Claimant, on appeal, may request an expedited appeal of an adverse Urgent-care Claim decision orally or in writing. In such case, all necessary information, including the plan's benefit determination on review, will be transmitted between the plan and the Claimant by telephone, facsimile, or other available similarly expeditious method, to the extent permitted by applicable law

Determination of appeals of denied claims will be conducted promptly, will not defer to the initial determination and will not be made by the person who made the initial adverse claim determination or a subordinate of that person. The determination will take into account all comments, documents, records, and other information submitted by the Claimant relating to the claim.

On appeal, a Claimant may review relevant documents and may submit issues and comments in writing. A Claimant on appeal may, upon request, discover the identity of medical or vocational experts whose advice was obtained on behalf of the plan in connection with the *adverse determination* being appealed, as permitted under applicable law.

If the claims denial is based in whole, or in part, upon a medical judgment, including determinations as to whether a particular treatment, or other service is experimental, investigational, or not medically necessary or appropriate, the person deciding the appeal will consult with a health care professional who has appropriate training and experience in the field of medicine involved in the medical judgment. The consulting health care professional will not be the same person who decided the initial appeal or a subordinate of that person.

Time periods for decisions on appeal

Appeals of claims denials will be decided and notice of the decision provided as follows:

Urgent-care Claims	As soon as possible but no later than 72 hours after Humana receives the appeal request.
Pre-service Claims	Within a reasonable period but no later than 30 days after Humana receives the appeal request.
Post-service Claims	Within a reasonable period but no later than 60 days after Humana receives the appeal request.
Concurrent-care Decisions	Within the time periods specified above depending on the type of claim involved.

Appeals denial notices

Notice of a claim denial (including a partial denial) will be provided to Claimants by mail, postage prepaid, by FAX or by e-mail, as appropriate, within the time periods noted above.

A notice that a claim appeal has been denied will include:

- The specific reason or reasons for the *adverse determination*;
- Reference to the specific plan provision upon which the determination is based;
- If any internal plan rule, protocol or similar criterion was relied upon to deny the claim. A copy of the rule, protocol or similar criterion will be provided to the Claimant, free of charge, upon request;
- A statement describing any voluntary appeal procedures offered by the plan and the claimant's right to obtain the information about such procedures, and a statement about the Claimant's right to bring an action under section 502(a) of ERISA;
- If an *adverse determination* is based on medical necessity, experimental treatment or similar exclusion or limitation, the notice will state that an explanation of the scientific or clinical basis for the determination will be provided, free of charge, upon request. The explanation will apply the terms of the plan to the covered person's medical circumstances.

In the event an appealed claim is denied, the Claimant will be entitled to receive without charge reasonable access to, and copies of, any documents, records or other information that:

- Was relied upon in making the determination;
- Was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record or other information was relied upon in making the benefit determination;
- Demonstrates compliance with the administrative processes and safeguards required in making the determination;
- Constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether the statement was relied on in making the benefit determination.

Exhaustion of remedies

Upon completion of the appeals process under this section, a Claimant will have exhausted his or her administrative remedies under the plan. If Humana fails to complete a claim determination or appeal within the time limits set forth above, the claim shall be deemed to have been denied and the Claimant may proceed to the next level in the review process.

After exhaustion of remedies, a Claimant may pursue any other legal remedies available, which may include bringing civil action under ERISA section 502(a) for judicial review of the plan's determination. Additional information may be available from the local U.S. Department of Labor Office.

Legal actions and limitations

No lawsuit may be brought with respect to plan benefits until all remedies under the plan have been exhausted.

No lawsuit with respect to plan benefits may be brought after the expiration of the applicable limitations period stated in the benefit plan document. If no limitation is stated in the benefit plan document, then no such suit may be brought after the expiration of the applicable limitations under applicable law.

Medical child support orders

An individual who is a child of a covered employee shall be enrolled for coverage under the group health plan in accordance with the direction of a Qualified Medical Child Support Order (QMCSO) or a National Medical Support Notice (NMSO).

A QMCSO is a state-court order or judgment, including approval of a settlement agreement that:

- provides for support of a covered employee's child;
- provides for health care coverage for that child;
- is made under state domestic relations law (including a community property law);
- relates to benefits under the group health plan; and
- is "qualified," i.e., it meets the technical requirements of ERISA or applicable state law.

QMCSO also means a state court order or judgment enforcing state Medicaid law regarding medical child support required by the Social Security Act § 1908 (as added by Omnibus Budget Reconciliation Act of 1993).

An NMSO is a notice issued by an appropriate agency of a state or local government that is similar to a QMCSO requiring coverage under the group health plan for a dependent child of a non-custodial parent who is (or will become) a covered person by a domestic relations order providing for health care coverage.

Procedures for determining the qualified status of medical child support orders are available at no cost upon request from the plan administrator.

Continuation of coverage for full-time students during medical leave of absence

A dependent child who is in regular full-time attendance at an accredited secondary school, college or university, or licensed technical school continues to be eligible for coverage for until the earlier of the following if the dependent child takes a medically necessary leave of absence:

- Up to one year after the first day of the medically necessary leave of absence; or
- The date coverage would otherwise terminate under the plan.

We may require written certification from the dependent child's health care practitioner that the dependent child has a serious bodily injury or sickness requiring a medically necessary leave of absence.

General notice of COBRA continuation coverage rights

Introduction

You are getting this notice because you recently gained coverage under a group health and/or dental plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it.** When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health and/or dental coverage. It can also become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What is COBRA continuation coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you too lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you too lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the plan as a "dependent child."

Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to the employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary. The retired employee's spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When is COBRA coverage available?

The plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the Plan Administrator of the following qualifying events:

- the end of employment or reduction of hours of employment;
- death of the employee;
- commencement of a proceeding in bankruptcy with respect to the employer; or
- the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events or a second qualifying event during the initial period of coverage may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended:

Disability extension of 18-month period of

- **continuation coverage** - If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage

Second qualifying event extension of 18-month period of

- **continuation coverage** - If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or if the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

Family and Medical Leave Act (FMLA)

If an employee is granted a leave of absence (Leave) by the employer as required by the Federal Family and Medical Leave Act, s/he may continue to be covered under the plan for the duration of the Leave under the same conditions as other employees who are currently employed and covered by the plan. If the employee chooses to terminate coverage during the Leave, or if coverage terminates as a result of nonpayment of any required contribution, coverage may be reinstated on the date the employee returns to work immediately following the end of the Leave. Charges incurred after the date of reinstatement will be paid as if the employee had been continuously covered.

Uniformed Services Employment and Reemployment Rights Act of 1994***Continuation of benefits***

Effective October 13, 1994, federal law requires health plans offer to continue coverage for employees that are absent due to service in the uniformed services and/or dependents.

Eligibility

An employee is eligible for continuation under USERRA if he or she is absent from employment because of voluntary or involuntary performance of duty in the Armed Forces, Army National Guard, Air National Guard, or commissioned corps of the Public Health Service. Duty includes absence for active duty, active duty for training, initial active duty for training, inactive duty training and for the purpose of an examination to determine fitness for duty.

An employee's dependents that have coverage under the plan immediately prior to the date of the employee's covered absence are eligible to elect continuation under USERRA.

If continuation of Plan coverage is elected under USERRA, the employee or dependent is responsible for payment of the applicable cost of coverage. If the employee is absent for not longer than 31 days, the cost will be the amount the employee would otherwise pay for coverage. For absences exceeding 30 days, the cost may be up to 102% of the cost of coverage under the plan. This includes the employee's share and any portion previously paid by the employer.

Duration of coverage

If elected, continuation coverage under USERRA will continue until the earlier of:

- 24 months beginning the first day of absence from employment due to service in the uniformed services; or
- The day after the employee fails to apply for a return to employment as required by USERRA, after the completion of a period of service.

Under federal law, the period coverage available under USERRA shall run concurrently with the COBRA period available to an employee and/or eligible dependent.

Other information

Employees should contact their employer with any questions regarding coverage normally available during a military leave of absence or continuation coverage and notify the employer of any changes in marital status, or change of address.

Your Rights Under the Employment Rights Income Security Act of 1974 (ERISA)

Under ERISA, all plan participants covered by ERISA are entitled to certain rights and protections, as described below. Notwithstanding anything in the group health plan or group insurance policy, following are a covered person's minimum rights under ERISA. ERISA requirements do not apply to plans maintained by governmental agencies or churches.

Information about the plan and benefits

Plan participants may:

- Examine, free of charge, all documents governing the plan. These documents are available in the plan administrator's office.
- Obtain, at a reasonable charge, copies of documents governing the plan, including a copy of any updated summary plan description and a copy of the latest annual report for the plan (Form 5500), if any, by writing to the plan administrator.
- Obtain, at a reasonable charge, a copy of the latest annual report (Form 5500) for the plan, if any, by writing to the plan administrator.

As a plan participant, you will receive a summary of any material changes made in the plan within 210 days after the end of the plan year in which the changes are made unless the change is a material reduction in covered services or benefits, in which case you will receive a summary of the material reduction within 60 days after the date of its adoption.

If the plan is required to file a summary annual financial report, you will receive a copy from the plan administrator.

Responsibilities of plan fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the plan. These people, called 'fiduciaries' of the plan, have a duty to act prudently and in the interest of plan participants and beneficiaries.

No one, including an employer, may discharge or otherwise discriminate against a plan participant in any way to prevent the participant from obtaining a benefit to which the participant is otherwise entitled under the plan or from exercising ERISA rights.

Continue group health plan coverage

Participants may be eligible to continue health care coverage for themselves, their spouse or dependents if there is a loss of coverage under the group health plan as a result of a qualifying event. You or your dependents may have to pay for such coverage. Review the COBRA notice in this document regarding the rules governing COBRA continuation coverage rights.

Claims determinations

If a claim for a plan benefit is denied or disregarded, in whole or in part, participants have the right to know why this was done, to obtain copies of documents relating to the decision without charge and to appeal any denial within certain time schedules.

Enforce your rights

Under ERISA, there are steps participants may take to enforce the above rights. For instance:

- if a participant requests a copy of plan documents and does not receive them within 30 days, the participant may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$ 110 a day until the participant receives the materials, unless the materials were not sent because of reasons beyond the control of the plan administrator;
- if a claim for benefits is denied or disregarded, in whole or in part, the participant may file suit in a state or Federal court;
- if the participant disagrees with the plan's decision, or lack thereof, concerning the qualified status of a domestic relations order or a medical child support order, the participant may file suit in Federal court;
- if plan fiduciaries misuse the plan's money, or if participants are discriminated against for asserting their rights, they may seek assistance from the U.S. Department of Labor, or may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If the participant is successful, the court may order the person sued to pay costs and fees. If the participant loses, the court may order the participant to pay the costs and fees.
