Home > Benefits

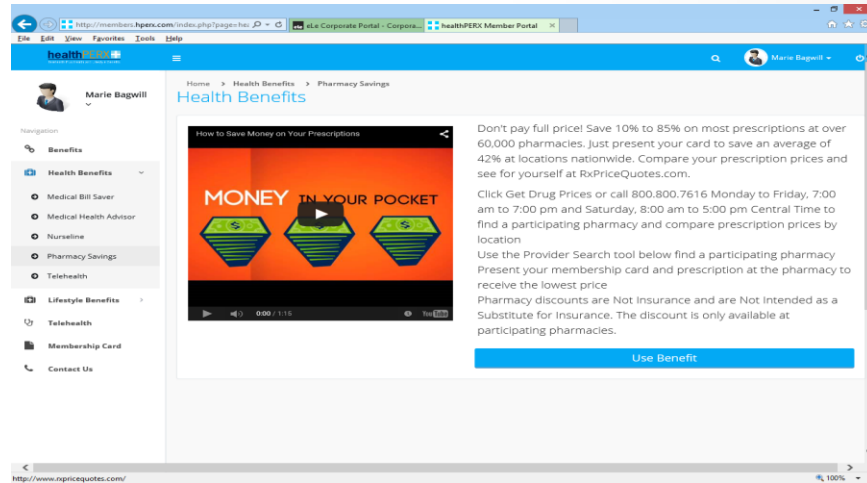

Welcome to healthPERX Benefits!

From here you can view your individual benefits, learn more about how your benefits work, download a temporary card and more. Use the additional links below to learn more about your additional benefits and how to activate them. When you click on the link, a new window will open for the choice you have made.

TITLE	DESCRIPTION	LEARN MORE
Fitness Advantage	Lowest membership rate for the type of membership selected in all 50 states.	
Medical Bill Saver	Can lower out-of-pocket costs on medical bills not covered by insurance.	
Medical Health Advisor	Can help with a broad range of healthcare and insurance related issues.	
NurseLine	Offers toll-free access to experienced registered nurses, 24 hours a day, 365 days per year.	
Pharmacy Savings	Save 10% to 85% on most short-term, acute care prescriptions with the local pharmacy program.	
Telehealth	Doctors can resolve many of your medical issues, 24/7/365, via phone from wherever you happen to be.	

You can view this video
anytime.

Right now, click on the
blue “Use Benefit”

This is where you can
price compare!

In this example,
Singular (Allergy medicine) is
used just to show you the
pricing.

The next screen will ask for the
dosage – Enter 1/day, 30 days

A screenshot of a 'Drug Price Search' form. The header features the 'NB' logo and the text 'Drug Price Search' and 'Look up and compare real drug prices near you!'. Below the header, a navigation bar includes 'Search for Drug', 'Search Results', 'Choose Dosage', and 'Results'. The main section is titled 'Search for a Drug'. It contains three input fields: 'Drug Name' with the value 'SINGULAIR CHW 5MG', 'Zip Code' with the value '35805', and 'In a radius of' with a dropdown menu set to '5 miles'. A legend indicates that an asterisk (*) denotes 'Required Fields'. A 'Next' button is located at the bottom right of the form.

A listing of participating pharmacies and pricing will appear.

You will also see there is an Alternate Drug is listed.

You should ask your physician if you can use the Alternate Drug rather than the Name Brand.

**As you can see,
there is a significant savings.**

**Don't forget to take both cards to the pharmacy and ask which card will provide you the best cost savings ...
your HealthPerx Discount Card or
Blue Cross Blue Shield card.**

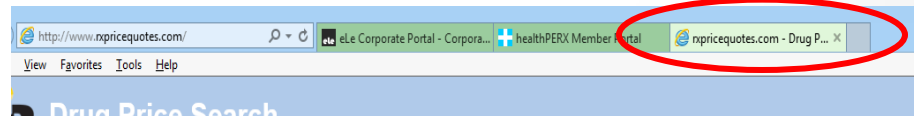

After checking out the pricing, "X" out of the Drug Price Search screen.

Membership Cards

You should have received a packet in the mail from HealthPerx which included your membership card.

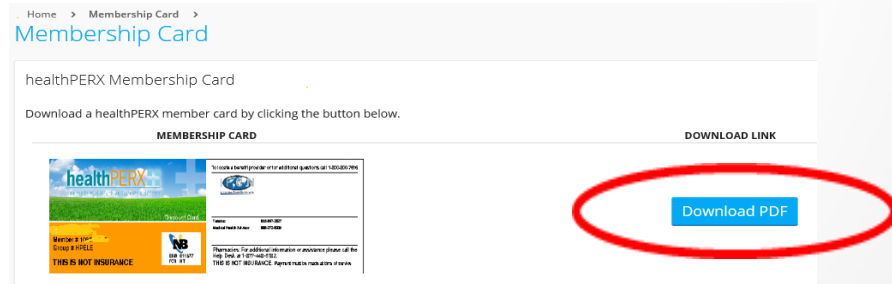

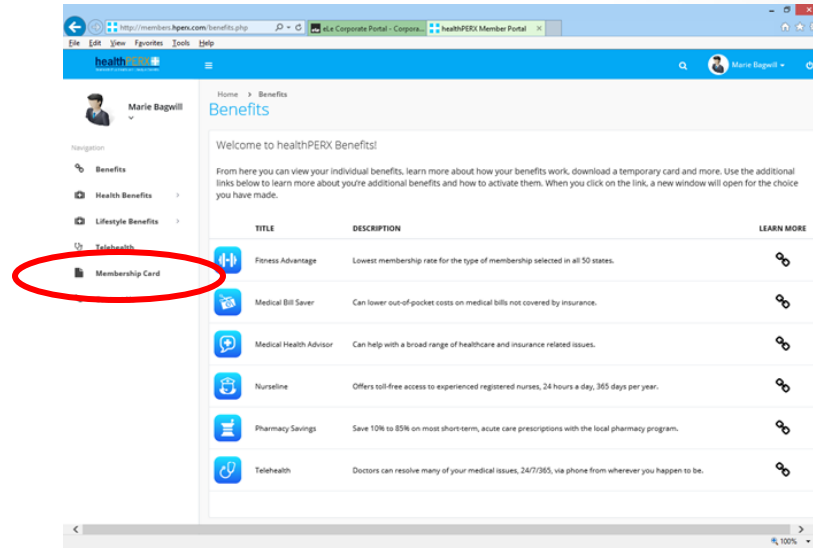

*"I can't find my card.
Can I get another one mailed to me?"*

Getting a new card is easy!

Back on the Benefits Home Screen on the left column you will see a Membership Card hyperlink. Click on it!

Your membership card appears!

Download and print.

Telehealth / Teladoc

From the Home page, click on the Telehealth hyperlink (left column).

Take the opportunity and watch the video. It will help you with entering in your Teladoc info.

After viewing the video, click on the blue “Activate Now” hyperlink to get started.

Home > Telehealth
Telehealth

STEP 1. Complete Medical Profile

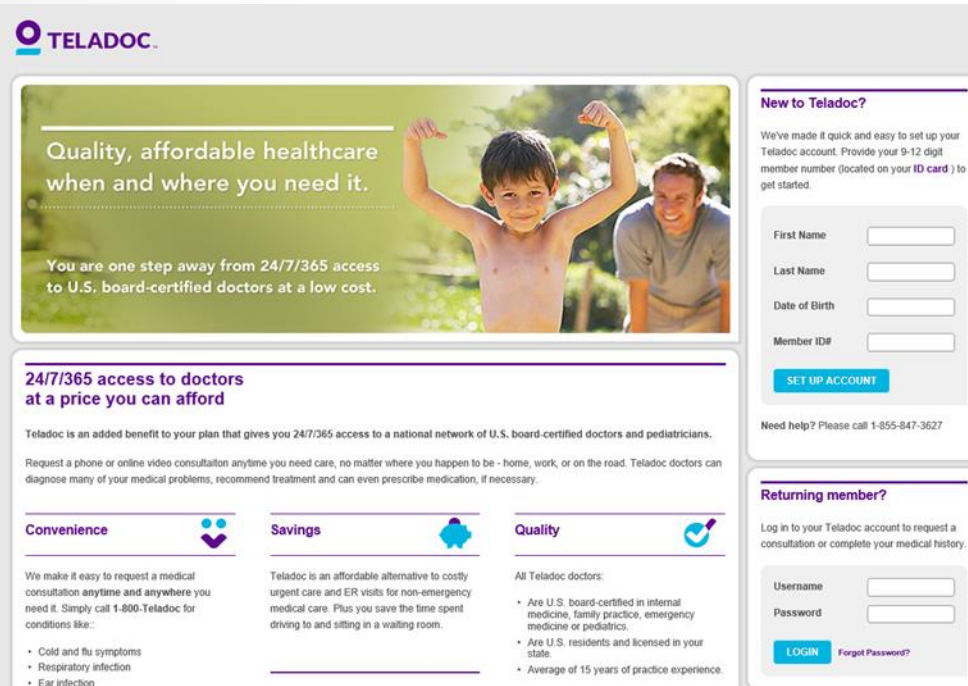

To begin using your 24/7/365 telehealth program, you complete your medical health profile. Please have your card with your group number and member number ready. Click the activate now button below to begin setting up telehealth benefit.

Request a phone or online video consultation anytime, anywhere, no matter where you happen to be - home, work, or on the road. Telehealth doctors can diagnose many of your health problems, recommend treatment and can even prescribe medication, if necessary.

Need Assistance? call 1-855-VIP-DOCS

Welcome to Teladoc

TELADOC.

Quality, affordable healthcare when and where you need it.

You are one step away from 24/7/365 access to U.S. board-certified doctors at a low cost.

24/7/365 access to doctors at a price you can afford

Teladoc is an added benefit to your plan that gives you 24/7/365 access to a national network of U.S. board-certified doctors and pediatricians.

Request a phone or online video consultation anytime you need care, no matter where you happen to be - home, work, or on the road. Teladoc doctors can diagnose many of your medical problems, recommend treatment and can even prescribe medication, if necessary.

Convenience

We make it easy to request a medical consultation anytime and anywhere you need it. Simply call 1-800-Teladoc for conditions like:

- Cold and flu symptoms
- Respiratory infection
- Ear infection

Savings

Teladoc is an affordable alternative to costly urgent care and ER visits for non-emergency medical care. Plus you save the time spent driving to and sitting in a waiting room.

Quality

All Teladoc doctors:

- Are U.S. board-certified in internal medicine, family practice, emergency medicine or pediatrics.
- Are U.S. residents and licensed in your state.
- Average of 15 years of practice experience.

New to Teladoc?

We've made it quick and easy to set up your Teladoc account. Provide your 9-12 digit member number (located on your ID card) to get started.

If this is your first time using Teladoc, complete the “New to Teladoc?” section.

Your Member ID is the same as your HealthPerx Member ID

Click on the blue “Set Up Account” hyperlink.

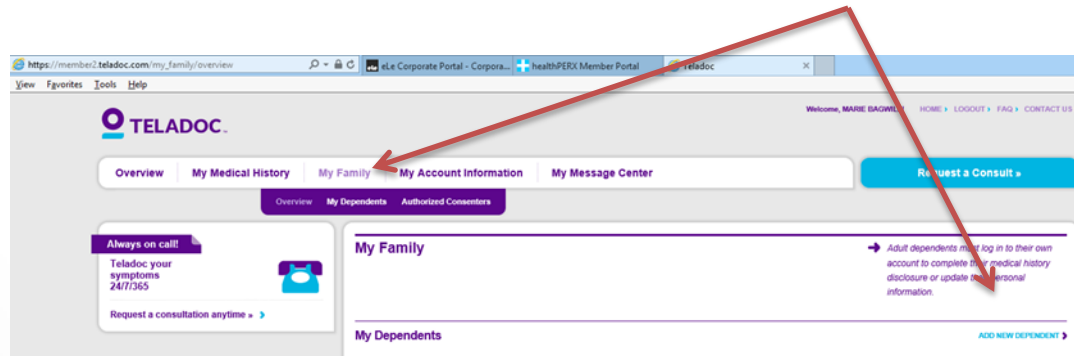

Returning to Teladoc? Just sign in and verify your information.

Setting up your Teladoc Account

New?

**You will be asked to set up a Password.
Once you've completed this step, you can start entering your
medical history.**

**Need to add your dependents?
Click on the My Family tab then you can add Dependents**

**Better to complete all this information now while your healthy and feeling
good than when you and/or your family member is under the weather!**

How does Teladoc work?

- When you or a family member is not feeling well, contact Teladoc 24/7 365 and request a consult via telephone or on-line video. Remember, this is for minor, non-life threatening issues.
- Typically within 30 minutes you should receive a call from a Board Certified physician.
- No sitting in a crowded doctors office waiting room filled with sick patients.
- Depending upon your circumstance, the doctor can suggest an over-the-counter remedy and/or may even be able to prescribe medication for you.
- If the doctor does send in a prescription for you....don't forget to ask the pharmacist which card gives you the better price (HealthPerx vs. Blue Cross).
- There is NO COST for this consult! No Office Visit Co-Pay!
