TERM, RENEWAL AND TERMINATION

1.01. Term: This Policy shall commence on the Effective Date noted on the front page of this Policy, and shall remain in effect for the Policy Period, also noted on the front page of this Policy.

1.02. Renewal:

(a) VSP shall issue written renewal notice to Client at least sixty (60) days before the end of the Policy Period. If Client fails to accept the renewal terms and/or rates in writing prior to the end of the Policy Period, this Policy shall terminate at 11:59 p.m. on the last day of the Policy Period.

(b) If Client wishes to renew the Policy but acceptance of the renewal cannot be formalized before the end of the Policy Period, or if the parties continue to negotiate renewal terms after the Policy Period, Client may submit a written request to have the Policy renew on a temporary month- to- month basis under the expired contract terms, not to exceed six months, until Client's acceptance of the renewal is formalized in writing and a new Policy is issued. Once renewal is accepted, VSP reserves the right to bill Client retroactively at the renewal premium for the temporary month-to-month renewal period. During the temporary month to month period, either party may terminate the Policy by providing thirty (30) days advance written notice to other party.

1.03. Termination:

(a) This Policy may be terminated by either the Client or VSP upon expiration of a Policy Period as set forth in paragraph 1.02.

(b) This Policy may also be terminated by VSP immediately upon written notice, if Client fails to:

(i) Pay premiums by the dates defined in paragraph 3.04.

(ii) Report a material change in accordance with paragraph 3.03.

(c) If Client terminates this Policy as of any date other than the end of the Policy Period, such termination will be treated by VSP as a breach by Client.

(d) If this Policy is terminated under paragraph 1.03(b) or (c), coverage is terminated and VSP is released from all obligations of this Policy, effective as of the termination date (except for preexisting obligations specifically set forth in Section 1.03 (e), below). Client will remain liable to VSP for the lesser amount of any deficit incurred by VSP or the payments which Client would have paid for the remaining term of this Policy, not to exceed one year. A deficit incurred by VSP will be calculated by subtracting the cost of incurred and outstanding claims, as calculated on an incurred

date basis with a claim run-out not to exceed six months from the date of termination, from the net premiums received by VSP from Client over the current term. Net premiums shall mean premiums paid by Client minus any applicable retention amounts and/or broker commissions. Client shall also be responsible for any legal and/or collection fees incurred by VSP to collect amounts due under this Policy.

(e) If this Policy is terminated for any cause as stated in this section 1.03, VSP is not required to pay for services provided after such termination date, except for any outstanding, unexpired benefit that is authorized before termination, or any other claim obligations that arose prior to termination.

II.

OBLIGATIONS OF VSP

2.01. Coverage of Covered Person: VSP will enroll for coverage, as directed by Client, each eligible Enrollee and his/her Eligible Dependents (if dependent coverage is provided), all of whom shall be referred to upon enrollment as "Covered Persons." To institute coverage, VSP may require Client to complete, sign and forward to VSP a Client Application along with information regarding Enrollees and Eligible Dependents, and all applicable premiums.

Following the enrollment of the Covered Persons, VSP will provide Client with an Evidence of Coverage for distribution to Covered Persons by Client. Such Evidence of Coverage and Member Benefit Summaries will summarize the terms and conditions set forth in this Policy.

2.02. Administration of Plan Benefits: Through VSP Preferred Providers (or through other licensed vision care providers where a Covered Person is eligible for, and chooses to receive Plan Benefits from, an Open Access Provider) VSP shall provide Covered Persons such Plan Benefits listed in the Schedule of Benefits (Exhibit A(s)) and when purchased by Client, the Additional Benefit Rider (Schedule C(s)) attached hereto, subject to any limitations, exclusions, or Copayments therein stated. VSP Preferred Providers have agreed to accept payments for services with no additional billing to the Covered Person other than Copayments, applicable tax, co-insurance and any amounts for non-covered services and/or materials. Notwithstanding any other provision, no references to services shall be operative unless and to the extent that services are specifically set forth in the Schedule of Benefits, and when purchased by Client, the Additional Benefit Rider. Retail chains may not offer all Plan Benefits. Covered Person may contact VSP Preferred Provider for information describing vision care services and vision care materials offered.

A Benefit Authorization must be obtained before a Covered Person can use Plan Benefits from a VSP Preferred Provider. When a Covered Person seeks Plan Benefits from a VSP Preferred Provider, the Covered Person must schedule an appointment and identify himself/herself as a VSP Covered Person so the VSP Preferred Provider can obtain a Benefit Authorization from VSP. VSP shall provide a Benefit Authorization to the VSP Preferred Provider to authorize the administration of Plan Benefits to the Covered Person. Each Benefit Authorization will contain an expiration date and must be used by the Covered Person to obtain Plan Benefits prior to the date the Benefit Authorization expires. VSP shall issue Benefit Authorizations in accordance with the latest eligibility information furnished by Client and the Covered Person's past service utilization, if any. Any Benefit Authorization so issued by VSP shall constitute a certification to the VSP Preferred Provider that payment will be made to VSP Preferred Provider, irrespective of a later loss of eligibility of the Covered Person, as long as Plan Benefits are utilized prior to the Benefit Authorization expiration date.

VSP shall pay or deny claims for Plan Benefits provided to Covered Persons, less any applicable Copayment, within a reasonable time but not more than thirty (30) calendar days after VSP receives a completed claim. VSP may not request a refund or offset against a claim paid to a vision care provider more than twelve (12) months after it has paid a claim except in cases of fraud or misrepresentation by such provider.

2.03. Open Access Provider Services: When Covered Persons elect to utilize the services of an Open Access Provider, benefit payments for services from such Open Access Provider will be determined according to the Plan's Open Access Provider benefit fee schedule if Open Access Provider reimbursement is available. COVERED PERSONS MAY BE LIABLE FOR MORE THAN THE COPAYMENT. The Open Access Provider may bill Covered Persons for that Provider's standard rates, regardless of the amount of VSP's Plan Benefits. If Covered Person is eligible for and obtains Plan Benefits from an Open Access Provider, Covered Person remains liable for the provider's full fee. Covered Person will be reimbursed by VSP in accordance with the Open Access Provider reimbursement schedule shown on the attached Schedule of Benefits (Exhibit A (s)) and Additional Benefit Rider (Schedule C(s)) (if purchased by Client), less any applicable Copayments.

2.04. Information to Covered Persons: Upon request, VSP shall make available to Covered Persons necessary information describing Plan Benefits and instructions for use. A copy of this Policy shall be provided to Client and will be made available at the offices of VSP for any Covered Persons. Covered Persons may obtain information on VSP's Preferred Providers through VSP's website at www.vsp.com, VSP's Customer Care toll-free number (1-800-877-7195), or by written request. If Client supplies email addresses of Covered Persons to VSP, VSP may use the email addresses to communicate information to Covered Persons about their vision benefits.

2.05. Confidentiality and Non-Disclosure Agreements VSP and Client have delivered, or will deliver, upon execution and delivery of this Policy, certain information about the properties and operations of their respective businesses. VSP and Client, therefore, agree as follows:

a) Definition of Confidential Information. For purposes of this Policy, "Confidential Information" means any data and/or information, in any form, disclosed by the disclosing Party ("Discloser") to the receiving Party ("Recipient") either before or after the Effective Date, which relates to Discloser and/or its Affiliates, and solely by way of illustration and not in limitation shall include the following information: (i) current or future product(s), services, methodologies, plans, designs, costs, prices, customer or doctor names and addresses, finances or financial information (including budgets), marketing plans or strategies (including e-commerce development plans), business plans, matters, opportunities or offerings, equipment and other purchase matters, strategic matters, research, development, know-how and/or personnel, (ii) is

identified as confidential at the time of disclosure, (iii) given the nature of the information disclosed and the circumstances surrounding its disclosure, reasonably ought to be treated as Confidential Information by a person in the same industry as Discloser, or (iv) by law must be protected as Confidential Information. Recipient acknowledges that the Confidential Information is proprietary to Discloser and has been developed and obtained through great efforts by Discloser. Confidential Information shall not, however, include information that (A) at the time of disclosure is, or subsequently becomes, available to the public or the industry through no fault or breach on the part of Recipient; (B) Recipient can demonstrate to have had rightfully in its possession prior to disclosure by Discloser; (C) is independently developed by Recipient without the use of any Confidential Information; or (D) Recipient rightfully obtains from a third party who has the right to transfer or disclose it. Confidential Information shall also be deemed to include any and all confidential information defined as Confidential Matters hereunder, the treatment of which shall be as set forth in Paragraph 2.05 of this Policy.

b) Non-Disclosure and Non-Use of Confidential Information. Recipient shall not, directly or indirectly, without the prior written approval of Discloser in each instance or unless otherwise expressly permitted herein, use for its own benefit, publish or otherwise disclose to others, or authorize the use by others for their benefit, or to the detriment of Discloser, any of Discloser's Confidential Information. Recipient shall carefully restrict access to Discloser's Confidential Information to only those of its and its Affiliates' officers, directors, employees, agents and representatives (collectively, "Representatives") who (i) clearly require such access in order to enable to perform their respective obligations under this Policy (ii) who are bound by confidentiality obligations that protect third party information which are at least as restrictive and protective as those contained in this Policy, and (iii) are not (or do not work for) direct competitors of Discloser. Recipient shall not use, copy, distribute and/or remove any of Discloser's Confidential Information from Recipient's premises except to the extent necessary or appropriate to carry out its respective obligations under the Policy, without the prior consent of Discloser. Recipient and its Representatives will employ all security measures used for their own proprietary information of similar nature but in no event using less than a reasonable degree of care. Recipient agrees to advise and require its Representatives of their obligations to keep such information confidential and shall each be liable for any acts and omissions of their Representatives related thereto.

c) Return or Destruction of Confidential Information. The Receiving Party, including its Personnel, its employees and/or agents shall upon request of Discloser (i) immediately return to Discloser's designated representative any and all documents or other information and materials in whatever form which contain Discloser's Confidential Information, or as permitted by Discloser, (ii) destroy all copies thereof, and certify to Discloser in writing that all copies of such documents or other information and materials have been destroyed; provided, however, that the Receiving Party may retain one set of

such documents and other information and materials for archival purposes only, subject to the continuing confidentiality and security obligations set forth under this Policy. Recipient may disclose Discloser's Confidential Information if and to the extent required by a judicial or governmental request, requirement or order; provided that Recipient will take reasonable steps to give

Discloser sufficient prior notice (to the extent that sufficient time is available) of such request, requirement or order for Discloser to contest, limit and/or protect such disclosure.

d) Injunctive Relief. The Parties understand and acknowledge that any disclosure or misappropriation of any Confidential Information in violation of this Policy may cause irreparable harm, for which monetary damages alone may not be an adequate remedy and, therefore, agrees that Discloser shall have the right to apply to a court of competent jurisdiction for an order immediately restraining any such further disclosure or misappropriation and for other equitable relief, without objection and without the requirement of posting a bond or other form of security. Such right of each Party is in addition to the remedies otherwise available under this Policy or otherwise at law or equity.

e) Survival: The obligations laid down in this Section 2.05 shall continue and survive beyond the termination of this Policy.

2.06. Urgent Vision Care: When vision care is necessary for Urgent Conditions, Covered Persons may obtain Plan Benefits by contacting a VSP Preferred Provider or Open Access Provider, if Open Access benefits are available. Services for conditions of a medical nature are covered by VSP only under supplemental eyecare plans. If Client purchased one of these plans, such coverage will be evidenced in an Additional Benefit Rider (Schedule C). If Client has not purchased one of these plans, Covered Persons are not covered by VSP for such services and should contact a physician under Covered Persons' medical insurance plan for care.

For situations of a non-medical nature, such as lost, broken or stolen glasses, Covered Person should call VSP's Customer Care toll-free number (1-800-877-7195) for assistance. Reimbursement and eligibility are subject to the terms of this Policy.

2.07. Coordination of Benefits: Unless otherwise agreed to by Client and VSP, the following rules governing coordination of benefits shall apply. When VSP is the primary insurer, it will pay benefits according to the terms of this Policy, subject to any applicable state or federal codes, statutes or regulations. When VSP is the secondary insurer, it will coordinate those vision care services and materials that were considered by the primary insurer as allowable expenses. VSP will pay the lesser of:

- a)** The normal Plan Benefit, in the absence of other coverage, or
- b)** The remaining balance up to Covered Person's Plan Benefits, not to exceed the billed amount.

III.

OBLIGATIONS OF CLIENT

3.01. Identification of Eligible Enrollees: An Enrollee is eligible for coverage under this Policy if he/she satisfies the enrollment criteria specified by the Client, and in accordance with applicable state and federal law. Client shall provide VSP with required eligibility information, in a mutually agreed upon timeframe, format and medium, to identify all Enrollees who are eligible for coverage under this Policy.

If dependent coverage is provided, the persons eligible for dependent coverage are:

- (1) the legal spouse of any Enrollee, and
- (2) any unmarried child of an Enrollee, including any natural child from the moment of birth, legally adopted child, the natural or adopted child of the legal spouse of the insured group member, or other child for whom a court holds the Enrollee responsible; and
 - a. has not yet attained the limiting age, or
 - b. the child of the Enrollee's child who has not yet attained the limiting age and is a dependent of the Enrollee for federal income tax purposes at the time of application for coverage of the child is made. A child is considered to be a child of an insured if the insured is a party to a suit in which the insured seeks to adopt the child. Coverage for a child of the Enrollee's child under this subsection may not be terminated solely because the covered child is no longer a dependent of the Enrollee for federal income tax purposes.
- (3) As further defined by Client.

If a dependent, unmarried child prior to attainment of the prescribed age for termination of eligibility becomes, and continues to be, incapable of self-sustaining employment because of mental or physical disability, that Eligible Dependent's coverage shall not terminate so long as he remains chiefly dependent on Enrollee for the support and the Enrollee's coverage remains in force; PROVIDED that satisfactory proof of the Eligible Dependent's coverage would have otherwise terminated or at such other times as VSP may request proof, but not more frequently than annually after the second anniversary of the date the child attains the limiting age.

3.02. Retroactive Eligibility Terminations: Retroactive eligibility changes are limited to the month in which notification is received by VSP, plus two prior months. VSP may refuse retroactive termination of a Covered Person if Plan Benefits have been obtained by, or authorized for, the Covered Person after the effective date of the requested termination.

3.03. Change of Client Composition: Client's percentage of Enrollees covered under the Policy as well as Client's contribution and eligibility requirements are factors used to determine rates and are considered material to VSP's obligations under this Policy. During the term of this Policy and in accordance with section 1.03, Client must provide VSP with written notification of any changes that will significantly impact utilization of the benefits and such changes must be agreed upon by VSP. Nothing in this section shall limit Client's ability to add Enrollees or Eligible Dependents under the terms of this Policy.

In the event Client is notified of any change in a Covered Person's family status [by marriage, the addition (e.g. newborn or adopted child) or deletion of Dependent, etc.] Client shall provide notice of such change to VSP via the next eligibility listing required under Paragraph 3.01. If notice is given, the change in Covered Person's status will be effective on the first day of the month following the change request, or at such later date as may be requested by or on behalf of the Covered Person.

Notwithstanding any other provision in this section, a newborn child will be covered during the thirty-one (31) day period after birth, and an adopted child will be covered for the thirty-one (31) day period after the date the Enrollee or the Enrollee's spouse acquires the right to control that child's health care. To continue coverage for a newborn or adopted child, or child in a suit for adoption beyond the initial thirty-one (31) day period, the Client must be properly notified of the Enrollee's change in family status and applicable Premiums must be paid to VSP.

VSP will pay benefits on a dependent child's behalf to a person who is not a group member, if an order providing for appointment of a possessory or managing conservator of a dependent child has been issued by a court in this state or another state.

3.04. Payment of Premiums: Upon receipt of VSP's billing statement, Client shall remit to VSP the premiums as set forth in Exhibit B. The premiums set forth in Exhibit B shall remain in effect for the term of this Policy unless the Client requests a change in the Schedule of Benefits and/or Additional Benefits Rider (if purchased by Client), or there is a material change in Policy terms or conditions, provided any such change is mutually agreed upon in writing by VSP. Client premium payments are due upon receipt of VSP's billing statement and shall become delinquent after thirty-one (31) days. If the premium payment remains unpaid the coverage may be cancelled and the Client will be responsible for payment for all Plan Benefits provided to Covered Persons. Client shall also be responsible for any legal and/or collection fees incurred by VSP to collect amounts due under this Policy.

3.05. Distribution of Required Materials: Client shall provide to Enrollees any materials required by any regulatory authority, within the timeframe required under applicable law.

3.06. Communication Materials: Communication materials created by Client which relate to this Vision Care Policy may be submitted to VSP for review and approval. VSP's review of such materials shall be limited to approving the accuracy of Plan Benefits and shall not encompass or constitute certification that Client's materials meet any applicable legal or regulatory requirements including, but not limited to, ERISA requirements. In the event of any dispute between the communication materials and this Policy, the provisions of this Policy shall prevail.

IV.

OBLIGATIONS OF COVERED PERSONS UNDER THE POLICY

4.01. General: This Policy provides coverage for Client's Enrollees. If Client offers dependent coverage, this Policy will also cover Enrollees' Eligible Dependents. This Policy may be amended or terminated by agreement between VSP and Client without the consent or concurrence of Covered Persons. This Policy with any and all Exhibits and/or attachments constitutes the entire obligation of VSP to Covered Persons.

4.02. Copayments for Services Received: Any Copayments required under this Policy shall be the personal responsibility of the Covered Person receiving Plan Benefits. Copayments are to be paid at the time services are rendered or materials ordered. Amounts which exceed Plan allowances, annual maximum benefits or any other stated Plan limitations are not considered Copayments but are also the responsibility of the Covered Person.

4.03. Obtaining Services from VSP Preferred Providers: To utilize Plan Benefits, Covered Persons must select a VSP Preferred Provider, schedule an appointment and inform the doctor's office that they are Covered Persons of VSP. The VSP Preferred Provider will contact VSP to obtain a Benefit Authorization. If a Covered Person receives Plan Benefits from a VSP Preferred Provider without a Benefit Authorization, any services or materials received from the doctor will be treated as benefits from an Open Access Provider. Retail chains may not offer all Plan Benefits. Covered Person may contact VSP Preferred Provider for information describing vision care services and vision care materials offered.

4.04. Open Access Provider Benefits: If required by state law, or if purchased by Client, this Policy provides Plan Benefits for services and materials received from Open Access Providers. Covered Persons may submit requests for reimbursement to VSP and VSP will pay available Plan Benefits to Covered Persons. VSP may deny any claims received after three hundred sixty-five (365) calendar days from the date services are rendered and/or materials provided.

4.05. Complaints and Grievances: Complaints and grievances may be submitted by Covered Persons to VSP in writing, by telephone, online or through Covered Persons' VSP Preferred Providers, as explained in the Evidence of Coverage for this Policy. VSP will resolve all complaints and grievances within thirty (30) calendar days following receipt unless special circumstances require an extension of time. Where such extension is required, VSP will resolve all complaints and grievances as soon as possible, but not later than one hundred twenty (120) calendar days after receipt. If VSP determines that a complaint or grievance cannot be resolved within thirty (30) calendar days, it will notify Covered Person of the expected resolution date. VSP will notify Covered Person in writing of the final resolution of all complaints and grievances.

4.06. Claim Denial Appeals: If a claim is denied in whole or in part, under the terms of this Policy, a request may be submitted to VSP by Covered Person or Covered Person's authorized representative for a full review of the denial.

Covered Person may designate any person, including their provider, as their authorized representative. References in this section to “Covered Person” include Covered Person’s authorized representative, where applicable.

a) Initial Appeal: All requests for review must be made within one hundred eighty (180) calendar days following denial of a claim. The Covered Person may review, during normal business hours, any documents held by VSP pertinent to the denial. The Covered Person may also submit written comments or supporting documentation concerning the claim to assist in VSP’s review. VSP’s response to the initial appeal, including specific reasons for the decision, shall be communicated to the Covered Person within thirty (30) calendar days after receipt of the request for the appeal .

b) Second Level Appeal: If Covered Person disagrees with the response to the initial appeal of the denied claim, Covered Person has the right to a second level appeal. A request for a second level appeal must be submitted to VSP within sixty (60) calendar days after receipt of VSP’s response to the initial appeal. VSP shall communicate its final determination to Covered Person within thirty (30) calendar days from receipt of the request, or as required by any applicable state or federal laws or regulations. VSP’s communication to the Covered Person shall include the specific reasons for the determination.

c) Other Remedies: When Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Additional information is available from the U. S. Department of Labor or the insurance regulatory agency for Covered Persons’ state of residency. Additionally, under the provisions of ERISA (Section 502(a) (1) (B) [29 U.S.C. 1132(a) (1) (B)], Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed. ERISA remedies may apply in those instances where the claims were not approved in whole or in part as the result of appeals under this Policy and Covered Person disagrees with the outcome of such appeals.

4.07. Time of Action: No action in law or in equity shall be brought to recover on this Policy prior to the Covered Person exhausting his/her rights under this Policy and/or prior to the expiration of sixty (60) calendar days after the claim and any applicable documentation has been filed with VSP. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of this Policy.

4.08. Insurance Fraud: Any Covered Person who intends to defraud, knowingly facilitates a fraud, submits a claim containing false or deceptive information, or who commits any other similar act as defined by applicable state or federal law, is guilty of insurance fraud. Such an act is grounds for immediate termination of the coverage under this Policy of the Covered Person committing such fraud.

V.

CONTINUATION OF COVERAGE

5.01. COBRA: If, and only to the extent, COBRA applies to the parties to this Policy, VSP shall make the required COBRA continuation coverage available to Covered Persons in accordance with the provisions of COBRA.

5.02. Replacement Coverage: VSP reserves the right to offer replacement VSP coverage to individuals whose previous VSP coverage has terminated or is subject to termination. Any such offer of replacement coverage shall be separate and distinct from, and not in lieu of, any COBRA-required offer of continuation coverage.

VI.

DISPUTE RESOLUTION

6.01. Dispute Resolution: VSP and Client agree that all disputes arising out of or relating to this Policy shall be resolved, wherever possible, through mediation. When such negotiation is not successful, both parties agree to try in good faith to settle disputes by mediation administered by the American Arbitration Association under its Commercial Mediation Procedures. All efforts shall be made by both parties to avoid arbitration, litigation, or other dispute resolution procedures.

6.02. Choice of Law: If any matter arises in connection with this Policy which becomes the subject of arbitration or legal process, the law of the State of Delivery of this Policy shall be the applicable law.

VII.

NOTICES

7.01. Notices: Any notices required under this Policy to either Client or VSP shall be in written format. Notices sent to the Client will be sent to the address or email address shown on the Client's Application unless otherwise directed by Client. Notices to VSP shall be sent to the address shown on the front page of this Policy. Notwithstanding the above, any notices may be hand-delivered by either party to an appropriate representative of the other party. The party effecting hand-delivery bears the burden to prove delivery was made, if questioned.

VIII.
STANDARD PROVISIONS

8.01. Entire Agreement: This Policy, the Client Application, the Evidence of Coverage, and all Exhibits and attachments hereto, constitute the entire agreement of the parties and supersede any prior understandings and agreements between them, either written or oral. Any change or amendment to this Policy must be mutually agreed upon by both VSP and Client. No agent has the authority to change this Policy or waive any of its provisions. Communication materials prepared by Client for distribution to Enrollees do not constitute a part of this Policy.

8.02. Indemnity: VSP agrees to indemnify, defend and hold harmless Client, its shareholders, directors, officers, agents, employees, successors and assigns from and against any and all liability, claim, loss, injury, cause of action and expense (including defense costs and legal fees) of any nature whatsoever arising from the failure of VSP, its officers, agents or employees, to perform any of the activities, duties or responsibilities specified herein. Client agrees to indemnify, defend and hold harmless VSP, its members, shareholders, directors, officers, agents, employees, successors and assigns from and against any and all liability, claim, loss, injury, cause of action and expense (including defense costs and legal fees) of any nature whatsoever arising or resulting from the failure of Client, its officers, agents or employees to perform any of the duties or responsibilities specified herein.

8.03. Liability: VSP arranges for the provision of vision care services and materials through agreements with VSP Preferred Providers. VSP Preferred Providers are independent contractors and are responsible for exercising independent judgment. VSP does not itself directly furnish vision care services or supply materials. Under no circumstances shall VSP or Client be liable to each other for the negligence, wrongful acts or omissions of any doctor, non-VSP owned laboratory, or any other person or organization performing services or supplying materials in connection with this Policy.

8.04. Assignment: Neither this Policy nor any of the rights or obligations of either of the parties hereto may be assigned or transferred without the prior written consent of both parties hereto, except as expressly authorized herein.

8.05. Severability: Should any provision of this Policy be declared invalid, the remaining provisions shall remain in full force and effect.

8.06. Governing Law: This Policy shall be governed by and construed in accordance with applicable federal and state law. Any provision that is in conflict with, or not in conformance with, applicable federal or state statutes or regulations is hereby amended to conform with the requirements of such statutes or regulation, now or hereafter existing.

8.07. Gender: All pronouns used herein are deemed to refer to the masculine, feminine, neuter, singular, or

8.09 Texas Department of Human Services: Benefits may be made payable to the Texas Department of Human Services on behalf of a child; 1) whose parent is Covered Person and required to pay child support by a court order or court-approved agreement and is a possessory conservator of the child under a court order issued in this state; or is not entitled to possession of or access to the child. 2) The Texas Department of Human Services is paying benefits on behalf of the child under Chapter 31 or 32 of the Human Resource code. 3) If VSP is notified that the benefits must be paid directly to the Texas Department of Human Services, through an attachment to the claim for benefits at the time of claim is first submitted to VSP.

8.10 Incontestability of Policy: The validity of the policy may not be contested after the policy has been in force for two years after its date of issue. In the absence of fraud, a statement made by any individual covered by the policy relating to the individual's insurability may not be used in contesting the validity of the insurance with respect to which the statement was made.

IX.

9.02. ADMINISTRATIVE SERVICES PROGRAM: A self-insured vision care plan whereby Client pays VSP for the Plan Benefits in addition to a monthly administrative fee.

9.03 ASSIGNMENT OF BENEFITS: A written order signed by a Covered Person eighteen (18) years of age or older and included with each claim, directing VSP to pay available Plan Benefits to a named Open Access Provider.

IMPORTANT INFORMATION ABOUT COVERAGE UNDER THE TEXAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

How you're protected if your life or health insurance company fails

The Texas Life and Health Insurance Guaranty Association protects you by paying your covered claims if your life or health insurance company is insolvent (can't pay its debts). **This notice summarizes your protections.**

This Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

- **Accident, accident and health, or health insurance (including HMOs):**
 - o Up to \$500,000 for health benefit plans, with some exceptions.
 - o Up to \$300,000 for disability income benefits.
 - o Up to \$300,000 for long-term care insurance benefits.
 - o Up to \$200,000 for all other types of health insurance.
- **Life Insurance:**
 - o Up to \$100,000 in net cash surrender or withdrawal value.
 - o Up to \$300,000 in death benefits.
- **Individual Annuities:** Up to \$250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.
- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.
- **Individual aggregate limit:** Up to \$300,000 per person, regardless of the number of policies or contracts. A limit of \$500,000 may apply for people with health benefit plans.
- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

Note: You're receiving this notice because Texas law requires your insurance company to send you a summary of your protections under the Texas Life and Health Insurance Guaranty Association Act (Insurance Code, Chapter 463). These protections apply to insolvencies that occur on or after September 1, 2019. **There may be other exceptions that aren't included in this notice.** When choosing an insurance company, you should not rely on the Association's coverage. Texas law prohibits companies and agents from using the Association as an inducement to buy insurance or HMO coverage.
