Section G – Significant Terms, Conditions and Authorizations (TERMS)

Please read this section carefully.

APPLYING FOR COVERAGE: I give this authorization for and on behalf of any eligible dependents and myself if covered by Alliant Health Plans. I am acting as their agent and representative.

I hereby acknowledge that Alliant Health Plans has informed me of the following prior to my enrollment in their health care coverage plan: a) number, mix and location of participating/network health care providers; b) limitations of choices of participation/network health care providers; and c) disclosure of contractual relationship between participation/network provider and Alliant Health Plans. This application shall be altered solely by the applicant or with his or her written consent.

Section I: Terms, Conditions and Authorizations

Please read this section carefully before signing the application.

Eligible employee:

- An active employee of the Employer who works the number of hours per week to be eligible for benefits as defined by the Employer and approved by Alliant Health Plans as of the effective date. Employment must be verifiable from state or federal wage tax reports.
- An employee, as defined above, who enters into employment after the coverage effective date and who completes the group imposed waiting period for eligibility (if any) and applies for coverage within 30 days.
- Any other class of persons identified by the Employer, provided that written approval of their eligibility is obtained from the Company(ies); or
- Employees eligible for continuous coverage under state or federal laws.

Eligible employees do not include independent contractors (whose compensation is reported on IRS Form 1099) and directors and officers of the Group Policyholder if they do not work the required number of hours per week described above.

Eligible dependent:

- Employee's spouse, or children age 25 or younger, which includes a newborn, natural child, or a child placed with the employee for adoption, a stepchild or any other child for whom the employee has legal guardianship or court ordered custody. The age limit for enrolling a child is age 26 (through age 25). Coverage for children will end on the last day of the month in which the children reach age 26.

The age limit of 26 does not apply for the initial enrollment or maintaining enrollment of an unmarried child who cannot support himself or herself because of mental retardation, mental illness, or physical incapacity that began prior to the child reaching the age limit. Coverage may be obtained for the child who is beyond the age limit at the initial enrollment if the employee provides proof of handicap and dependence at the time of enrollment. (The employee may be asked to provide a physician's certification of the dependent's condition.)

- Dependents eligible for continuous coverage under state or federal laws.

As an eligible employee, I am requesting coverage for myself and all eligible dependents listed and authorize my employer to deduct any required contributions for this insurance from my earnings. All statements and answers I have given are true and complete. I understand it is a crime to knowingly provide false, incomplete or misleading information to an insurance company for the purpose of defrauding the company. Penalties may include imprisonment, fines or a denial of insurance benefits. I understand all benefits are subject to conditions stated in the Group Contract and coverage document.

In signing this application I represent that: I have read or have had read to me the completed application and I realize any false statement or misrepresentation in the application may result in loss of coverage.

Special Enrollment Rights

If you declined enrollment for yourself or your dependent(s) (including a spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependent(s) in this plan if you or your dependent(s) lose eligibility for the other health insurance or group health plan coverage (or if the employer stops contribution towards your coverage or your dependent's other coverage). However, you must request enrollment within 31 days after coverage ends (or after the employer stops contribution toward the other coverage). In addition, if you have a dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependent(s) provided that you request enrollment within 31 days after the marriage, birth, adoption or placement for adoption. I also understand that my dependents and I may enroll under two additional circumstances:

- Either your or your dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- You or your dependent becomes eligible for a subsidy (state premium assistance program).

In these cases, you may be able to enroll yourself and your dependents provided that you request enrollment within 60 days of the loss of Medicaid/CHIP or of the eligibility determination.
